RISK FACTORS

Our business and investing in our securities involve a high degree of risk. You should carefully consider the risks described under the section titled “Risk Factors” contained in the applicable prospectus supplement and any related free writing prospectus, and discussed under the section titled “Risk Factors” contained in our most recent Annual Report on Form 10-K and in our most recent Quarterly Report on Form 10-Q, as well as any amendments thereto reflected in subsequent filings with the SEC, which are incorporated by reference into this prospectus in their entirety, together with other information in this prospectus, the documents incorporated by reference and any free writing prospectus that we may authorize for use in connection with a specific offering. The risks identified in these SEC filings could have a material and adverse impact on our business, prospects, results of operations, financial condition and cash flows. If any such events were to happen, the trading price of our Common Shares and the value of our other securities could decline, and you could lose all or part of your investment. Please also read carefully the section below titled “Cautionary Note Regarding Forward-Looking Statements.”

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the documents we have filed with the SEC that are incorporated by reference contain “forward-looking statements” within the meaning of Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In addition, any statements that refer to projections, forecasts, or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking statements. The words “anticipate,” “believe,” “could,” “estimate,” “expect,” “intend,” “may,” “might,” “plan,” “possible,” “potential,” “predict,” “project,” “would,” and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to significant risks and uncertainties. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and we assume no obligation and do not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.

There are or will be important factors that could cause our actual results to differ materially from those indicated in these forward-looking statements, including, but not limited to, the following:

- our limited operating history;
- the fact that we have incurred net losses in the past, may incur net losses in the future, and may not achieve profitability;
- risks associated with operating a coffee trading business and a coffee-exporting business;
- the volatility and increases in the cost of green coffee, tea and other ingredients and packaging, and our inability to pass these costs on to customers;
- our inability to secure an adequate supply of key raw materials, including green coffee and tea, or disruption in our supply chain;
- deterioration in general macroeconomic conditions;
- disruption in operations at any of our production and distribution facilities;
- climate change, which may increase commodity costs, damage our facilities and disrupt our production capabilities and supply chain;
- failure to retain key personnel or recruit qualified personnel;
- our inability to hedge commodity risks;
- consolidation among our distributors and customers or the loss of any key customer;
- complex and evolving U.S. and international laws and regulations, and noncompliance therewith subjecting us to criminal or civil liability;
- future acquisitions of businesses, which may divert our management’s attention, prove difficult to effectively integrate and fail to achieve their projected benefits;
- our inability to effectively manage the growth and increased complexity of our business;
- our inability to maintain or grow market share through continued differentiation of our product and competitive pricing;
- our inability to secure the additional capital needed to operate and grow our business;
- future litigation or legal disputes, which could lead us to incur significant liabilities and costs or harm our reputation;
- a material failure, inadequacy or interruption of our information technology systems;
- the unauthorized access, theft, use or destruction of personal, financial or other confidential information relating to our customers, suppliers, employees or business;

- our future level of indebtedness, which may reduce funds available for other business purposes and reduce our operational flexibility;
- our inability to comply with the financial covenants in our credit agreement;
- our inability to complete the construction of our new facility in Conway, Arkansas within the anticipated timeframe or incurring additional expenses in the process;
- our corporate structure and organization;
- the fact that our largest shareholders (and certain members of our management team) own a significant percentage of our stock and will be able to exert significant control over matters subject to shareholder approval;
- the impact of current global economic conditions, including those caused by economic slowdowns or recessions, changes in political, economic or industry conditions, global conflicts (including the ongoing military conflict between Russia and Ukraine and recent conflicts in Brazil), inflation, the interest rate environment, U.S. government shutdowns, downgrades to the U.S. government's sovereign credit rating or other conditions affecting the global financial and capital markets, and epidemic, pandemic or other health issues;
- the possible resurgence of Covid-19 and emergence of new variants of the virus; and
- other risks and uncertainties, including those indicated from time to time in filings made with the SEC.

The foregoing factors should not be construed as exhaustive and should be read together with the other cautionary statements included in this prospectus. If one or more events related to these or other risks or uncertainties materialize, or if our underlying assumptions prove to be incorrect, actual results may differ materially from what we anticipate. Many of the important factors that will determine these results are beyond our ability to control or predict. Accordingly, you should not place undue reliance on any such forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made, and, except as otherwise required by law, we do not undertake any obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise. New factors emerge from time to time, and it is not possible for us to predict which will arise. In addition, we cannot assess the impact of each factor on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements.

USE OF PROCEEDS

We would receive up to an aggregate of \$500,000,000 from the issuance and sale of the securities being offered pursuant to this prospectus from time to time, less any underwriting discounts and commissions, if underwriters are used, and expenses.

Except as described in any applicable prospectus or prospectus supplement or in any free writing prospectuses we have authorized for use in connection with a specific offering, we currently intend to use the net proceeds for working capital and general corporate purposes.

DESCRIPTION OF SECURITIES

The following description summarizes certain important terms of our capital stock, including the provisions included in our certificate of incorporation, bylaws and our investor rights agreement. This description is not complete and is qualified by reference to the full text of our certificate of incorporation, bylaws and our investor rights agreement, which are included as exhibits to the registration statement of which this prospectus is a part, as well as the applicable provisions of the General Corporation Law of the State of Delaware (the “DGCL”).

General

Our authorized capital stock consists of 300,000,000 Common Shares and 50,000,000 shares of preferred stock (“Preferred Shares”), of which 24,000,000 shares are designated as Series A convertible preferred stock (the “Series A Preferred Shares”).

As of October 2, 2023, Westrock had approximately 88,039,184 Common Shares and 23,511,922 Series A Preferred Shares issued and outstanding.

Common Stock

Voting

Each holder of Common Shares is entitled to one vote for each share on all matters submitted to a vote of the stockholders. Holders of Common Shares vote, as a single class, with holders of Series A Preferred Shares, on an as-converted basis, on all matters submitted to a vote of the stockholders.

Dividends

Subject to preferences that may apply to any outstanding Preferred Shares, including the Series A Preferred Shares, holders of Common Shares are entitled to receive ratably any dividends that our board of directors may declare out of funds legally available for that purpose on a non-cumulative basis.

Liquidation or Dissolution

In the event of our liquidation, dissolution or winding up, holders of Common Shares are entitled to share ratably in all assets remaining after payment of liabilities and the liquidation preference of any outstanding shares of preferred stock, including the Series A Preferred Shares.

Conversion and Exchange

The Common Shares are not subject to any conversion or exchange rights.

Other Provisions

Other than preemptive rights granted to certain affiliates of Brown Brothers Harriman & Co. (the “BBH Investors”) under the terms of our investor rights agreement, holders of Common Shares have no preemptive or subscription rights. See the section titled “*Investor Rights Agreement*” for more information. There are no redemption or sinking fund provisions applicable to Common Shares. All outstanding Common Shares are fully paid and non-assessable. The rights, preferences and privileges of the holders of the Common Shares are subject to, and may be adversely affected by, the rights of the holders of the Series A Preferred Shares and shares of any other series of Preferred Shares that we may designate and issue in the future.

Preferred Stock

Under the terms of our certificate of incorporation, our board of directors is authorized, subject to limitations prescribed by the DGCL and by our certificate of incorporation, to issue up to 24,000,000 Series A Preferred Shares and up to 26,000,000 Preferred Shares in one or more other series without further action by the holders of Common Shares. Our board of directors has the discretion, subject to limitations

prescribed by the DGCL, our certificate of incorporation and our investor rights agreement, to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, of each series of preferred stock. The rights, preferences, privileges and restrictions of the Series A Preferred Shares are described below.

Series A Preferred Shares

Maturity

Subject to the redemption and conversion rights described below, the Series A Preferred Shares are perpetual securities.

Priority

The Series A Preferred Shares rank, with respect to dividend rights and/or distribution rights upon the liquidation, winding up or dissolution, as applicable, of Westrock: (i) senior to the Common Shares and each other class or series of capital stock of Westrock, the terms of which do not expressly provide that such class or series ranks senior or on parity to the Series A Preferred Shares as to dividend rights or distribution rights upon Westrock's liquidation, winding up or dissolution (such stock, "Junior Stock"); (ii) on parity with any class or series of capital stock of Westrock, the terms of which expressly provide that such class or series ranks on parity with the Series A Preferred Shares as to dividend rights and distribution rights upon Westrock's liquidation, winding-up or dissolution (such stock, "Parity Stock"); and (iii) junior to each class or series of any class or series of capital stock of Westrock, the terms of which expressly provide that such class or series ranks senior to the Series A Preferred Shares as to dividend rights or distribution rights upon Westrock's liquidation, winding-up or dissolution ("Senior Stock").

Voting

Each holder of the Series A Preferred Shares is entitled to vote, on an as-converted basis, as a single class with the holders of Common Shares and the holders of any other class or series of capital stock of Westrock then entitled to vote with the Common Shares on all matters submitted to a vote of the holders of Common Shares.

Consent Rights

So long as any Series A Preferred Shares are outstanding, Westrock may not, without the affirmative vote or consent of the holders of record of at least a majority in voting power of the Series A Preferred Shares, voting together as a single, separate class: (a) amend, alter or repeal any provision of the certificate of incorporation, the by-laws or any other such organizational document of Westrock that would adversely affect the rights, preferences, privileges, voting power or special rights of the Series A Preferred Shares, (b) amend, alter, or supplement the certificate of incorporation, the by-laws or any other such organizational document of Westrock or any provision thereof, or take any other action to authorize or create, or increase the number of authorized or issued shares of, or any securities convertible into shares of, or reclassify any security into, or issue, any class or series of Senior Stock or Parity Stock, including with respect to dividend rights or rights upon Westrock's liquidation, winding-up or dissolution, (c) increase or decrease the authorized number of the Series A Preferred Shares or issue Series A Preferred Shares, Parity Stock or Senior Stock and (d) for so long as the BBH Investors and their controlled affiliates own at least sixty percent (60%) of the Series A Preferred Shares that the BBH Investors owned on August 26, 2022, consummate any Fundamental Change (as defined below) in which the holders of the Series A Preferred Shares would receive less than \$18.50 per share (subject to customary adjustments).

"Fundamental Change" means the consummation of (i) a sale of all or substantially all of the consolidated assets of Westrock (including by way of any reorganization, merger, consolidation or other similar transaction); (ii) a direct or indirect acquisition of beneficial ownership of more than fifty percent (50%) of the voting securities of Westrock by another person or group (other than an equityholder of Westrock immediately prior to the closing of its de-SPAC transaction or its affiliates or any "group" arising out of Westrock's investor rights agreement) by means of any transaction or series of transactions (including any reorganization, merger, consolidation, joint venture, share transfer or other similar transaction); (iii) a

consolidation, merger, reorganization or other form of acquisition of or by Westrock or other transaction in which Westrock's stockholders retain less than fifty percent (50%) of the voting securities of the entity resulting from such transaction (including, without limitation, an entity that, as a result of such transaction, owns Westrock either directly or indirectly through one or more subsidiaries) upon consummation of such transaction; or (iv) the obtaining by any person or group (other than an equityholder of Westrock immediately prior to the closing of its de-SPAC transaction or its affiliates or any "group" arising out of Westrock's investor rights agreement) of the power to elect a majority of the members of Westrock's board of directors.

Dividends

Westrock may, subject to customary restrictions, but is not required to, declare or pay any dividends solely on the Series A Preferred Shares (such dividends, the "Preferred Dividends") on a Dividend Payment Date. "Dividend Payment Date" means March 31, June 30, September 30 and December 31 of each year; provided that, if any such Dividend Payment Date is not a business day, then the applicable dividend shall be payable on the next business day immediately following such Dividend Payment Date, without any interest. The record date for payment of Preferred Dividends will be the close of business on the fifteenth (15th) day of the calendar month that contains the relevant Dividend Payment Date or such other record date fixed by our board of directors (or a duly authorized committee of our board of directors) that is not more than sixty (60) nor less than ten (10) days prior to such Dividend Payment Date.

Holders of the Series A Preferred Shares are entitled to receive ratably any dividends that our board of directors declares and pays on the Common Shares, on an as-converted basis, when paid to holders of Common Shares (the "Participating Dividends"). The record date for each Participating Dividend shall be the same as the record date for the corresponding dividend on the Common Shares.

Subject to customary exceptions, so long as any Series A Preferred Shares remain outstanding, unless (x) full dividends on all outstanding Series A Preferred Shares that have been declared have been paid in full, including, in arrearage, or a sum sufficient for the payment of those dividends has been or is set aside by Westrock, (y) no Escalation Event is ongoing and (z) if any Fundamental Change has occurred, the requirement of obtaining the consent of the holders of a majority of the Series A Preferred Shares (voting as a separate class), if applicable, was satisfied with respect to such Fundamental Change, Westrock may not declare any dividend on, or make any distributions relating to, the Common Shares or any other Junior Stock, or redeem, purchase, acquire or make a liquidation payment relating to, any Junior Stock. "Escalation Event" means (i) any event of default for a failure to make payment when due under the principal credit facility of Westrock or (ii) the failure of Westrock to redeem all Series A Preferred Shares that the holders thereof have elected for redemption.

For so long as any Series A Preferred Shares remain outstanding, if declared dividends are not paid in full upon the Series A Preferred Shares and any Parity Stock, all dividends declared upon the Series A Preferred Shares and any Parity Stock will be declared on a proportional basis so that the amount of dividends declared per share will bear to each other the same ratio that all unpaid dividends as of the end of the most recent dividend payment period per Series A Preferred Share and accrued and unpaid dividends as of the end of the most recent dividend period per share of any Parity Stock bear to each other.

Liquidation or Dissolution

The initial liquidation preference of the Series A Preferred Shares is \$11.50 per share, plus any declared but unpaid dividends and subject to accretion if the PIK Rate (defined below) is in effect. In the event of our liquidation, dissolution or winding up, holders of the Series A Preferred Shares are entitled to receive, per Series A Preferred Share, the greater of (a) the liquidation preference and (b) the amount such holder would have received had they converted their Series A Preferred Shares into Common Shares immediately prior to such liquidation event.

If, upon the voluntary or involuntary liquidation, winding-up or dissolution of Westrock, the assets of Westrock available for distribution to the holders of the Series A Preferred Shares and holders of Parity Stock are insufficient to permit payment in full to such holders of the sums which such holders are entitled to receive in such case, then all of the assets available for distribution to the holders of the Series A Preferred

Shares and holders of the Parity Stock shall be distributed among and paid to such holders, ratably in proportion to the respective amounts that would be payable to such holders if such assets were sufficient to permit payment in full.

Conversion, Transferability and Exchange

Holders of Series A Preferred Shares may voluntarily convert their Series A Preferred Shares into a whole number of Common Shares at any time at a rate equal to the quotient of (a) the liquidation preference as of the applicable conversion date, divided by (b) the conversion price as of the applicable conversion date, which is currently \$11.50 per Series A Preferred Share, plus cash in lieu of fractional shares. The initial conversion price of \$11.50 per Series A Preferred Share is subject to customary adjustments for the issuance of Common Shares as a dividend or distribution to the holders of Common Shares, a subdivision or combination of the Common Shares, reclassification of the Common Shares into a greater or lesser number of Common Shares, certain tender or exchange offers for the Common Shares, and issuances of Common Shares below a specified price.

Subject to the rights described under “*Fundamental Change*” below, in the event of specified extraordinary transactions, as a result of which Common Shares would be converted into, or exchanged for, stock, other securities or other property or assets (including cash or any combination thereof), each Series A Preferred Share outstanding immediately prior to such event will, without the consent of the holders of the Series A Preferred Shares, become convertible into the kind of stock, other securities or other property or assets that such holder would have been entitled to receive if such holder had converted its Series A Preferred Shares into Common Shares immediately prior to such event.

Other than as described above and under “*Fundamental Change*” below, the Series A Preferred Shares are not convertible at the option of Westrock.

Fundamental Change

For so long as the BBH Investor and its controlled affiliates own at least sixty percent (60%) of the Series A Preferred Shares that the BBH Investor owned as of August 26, 2022, the consummation of any Fundamental Change in which the holders of Series A Preferred Shares would receive less than the \$18.50 per share (subject to customary adjustments) requires the consent of holders of a majority of the Series A Preferred Shares.

In a Fundamental Change in which the consent of holders of a majority of the Series A Preferred Shares as a separate class is required, the holders of the Series A Preferred Shares will be entitled to receive the greater of (i) the liquidation preference of the Series A Preferred Shares and (ii) the amount such holder would have received had they converted the Series A Preferred Shares into Common Shares immediately prior to such Fundamental Change. In connection with a Fundamental Change in which the consent of holders of a majority of the Series A Preferred Shares as a separate class is not required, the holders of the Series A Preferred Shares will be entitled to receive the greater of (i) \$18.50 per Series A Preferred Share (subject to customary adjustments) and (ii) the amount such holder would have received had they converted their Series A Preferred Shares into Common Shares immediately prior to such Fundamental Change.

Westrock is required to pay the above redemption price in cash, provided that, if all or any portion of the consideration delivered to holders of Common Shares in such Fundamental Change consists of securities, Westrock (or its successor) may pay a portion of equal proportion, but only of equal portion, of the redemption in Qualifying Stock, with the fair market value of such Qualifying Stock (as defined below) being determined by our board of directors in good faith using reasonable methodologies. “Qualifying Stock” means securities of Westrock or the acquiring, surviving or resulting entity in such Fundamental Change or the entity controlling any such entity that has voting powers, preferences, privileges and special rights identical to the rights of the Series A Preferred Shares except for such differences that if made to the Series A Preferred Shares would not require the consent of holders of the Series A Preferred Shares voting as a separate class and that is listed on a nationally recognized stock exchange.

Redemption

After February 26, 2028, any holder of Series A Preferred Shares may require Westrock to redeem all or any whole number of such holder’s Series A Preferred Shares in cash, subject to applicable law and the

terms of any credit agreement or similar arrangement pursuant to which a third-party lender provides debt financing to Westrock or its subsidiaries, at a redemption price per share equal to the greater of (a) the liquidation preference and (b) the product of (i) the number of Common Shares that would have been obtained from converting one Series A Preferred Share on the redemption notice date and (ii) the simple average of the daily volume-weighted average price per Common Share for the ten (10) trading days ending on and including the trading day immediately preceding the redemption notice date.

A holder may exercise its right to redeem the Series A Preferred Shares by delivering a written notice to Westrock, which notice must certify (x) such holder's address, (y) the number of Series A Preferred Shares held by such holder and the number of Series A Preferred Shares that such holder has elected to have redeemed and (z) the holder's desired date of redemption, which must be a business day that is no earlier than thirty (30) days and no later than sixty (60) days from the date such notice is sent if such notice is sent prior to February 26, 2028 and no earlier than sixty (60) days and no later than ninety (90) days otherwise, or such later date as may be required to comply with the requirements of applicable law.

To the extent any redemption is prohibited to be in cash, the liquidation preference on each unredeemed Series A Preferred Share will start accruing daily at a rate of ten percent per annum (the "PIK Rate"). In such case, any holder of Series A Preferred Shares may thereafter put any outstanding Series A Preferred Shares to Westrock only on August 26 of the applicable year, on the above terms, with the PIK Rate increasing by two percent with respect to unredeemed Series A Preferred Shares on each occasion that Westrock cannot satisfy the redemption entirely in cash.

After February 26, 2028, Westrock may redeem, ratably, in whole or, from time to time in part, the Preferred Shares of any holder then outstanding at a redemption price in cash, equal to the greater of (i) the liquidation preference and (ii) the product of (x) the number of Common Shares that would have been obtained from converting one Series A Preferred Share on the date Westrock notifies holders of the call (including fractional shares for this purpose) and (y) the simple average of the daily volume weighted average price per Common Share for the ten trading days ending on and including the trading day immediately preceding the date of the exercise of such call by Westrock. The redemption price for the Series A Preferred Shares held by the BBH Investors may not be less than the \$18.50 per Series A Preferred Share (subject to adjustments); provided that Westrock may redeem such shares in such a case if it pays an incremental price per share on the redemption date to the BBH Investors equal to the difference between \$18.50 (subject to adjustments) and the redemption price otherwise.

Westrock may exercise its right to redeem the Series A Preferred Shares by delivering a written notice to all of the holders, which notice must, among other things, state the date on which the redemption shall occur, which date shall be no earlier than thirty (30) days and no later than sixty (60) days from the redemption notice date, the number of Series A Preferred Shares to be redeemed and, if fewer than all the shares of a holder are to be redeemed, the number of such Series A Preferred Shares to be redeemed, and redemption price to be paid on the redemption date.

Sinking Fund

The Series A Preferred Shares are not subject to or entitled to the operation of a retirement or sinking fund.

Other Provisions

The BBH Investors have additional rights and obligations with respect to their Series A Preferred Shares under our investor rights agreement. See the section titled "*Investor Rights Agreement*."

Anti-Takeover Effects of Various Provisions of Delaware Law, Our Certificate of Incorporation and Our Bylaws

Provisions of the DGCL and our certificate of incorporation and bylaws could make it more difficult to acquire Westrock by means of a tender offer, a proxy contest or otherwise, or to remove incumbent officers and directors. These provisions, which are summarized below, may discourage certain types of coercive takeover practices and takeover bids that our board of directors may consider inadequate and to encourage

persons seeking to acquire control of Westrock to first negotiate with our board of directors. Westrock believes that the benefits of increased protection of its ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure it outweigh the disadvantages of discouraging takeover or acquisition proposals because, among other things, negotiation of these proposals could result in an improvement of their terms.

Delaware Anti-Takeover Statute

As a Delaware corporation, Westrock is subject to Section 203 of the DGCL regarding corporate takeovers. In general, Section 203 of the DGCL prohibits a publicly held Delaware corporation from engaging in a “business combination” with an “interested stockholder” for a period of three years following the time the person became an interested stockholder, unless:

- prior to the date of the transaction, the board of directors of such corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;
- upon completion of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time such transaction commenced, excluding, for purposes of determining the number of shares outstanding, (a) shares owned by persons who are directors and also officers of the corporation and (b) shares owned by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- on or subsequent to such time the business combination is approved by the board of directors of such corporation and authorized at a meeting of stockholders by the affirmative vote of at least two-thirds of the outstanding voting stock of such corporation not owned by the interested stockholder.

In this context, a “business combination” includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. An “interested stockholder” is a person who, together with affiliates and associates, owns or, within three years prior to the determination of interested stockholder status owned, 15% or more of a corporation’s outstanding voting stock. The existence of this provision would be expected to have an anti-takeover effect with respect to transactions not approved in advance by our board of directors, including discouraging attempts that might result in a premium over the market price for the Common Shares held by our stockholders.

A Delaware corporation may “opt out” of Section 203 with an express provision in its original certificate of incorporation or an express provision in its certificate of incorporation or bylaws resulting from amendments approved by holders of at least a majority of the corporation’s outstanding voting shares. We have not elected to “opt out” of Section 203. However, following this offering and subject to compliance with Delaware law, our organizational documents and any contractual restrictions, we could subsequently elect to “opt out” of Section 203 by such an amendment to our certificate of incorporation or bylaws.

Classified Board

Our certificate of incorporation and bylaws currently provide that our board of directors is divided into three classes, with Class III consisting of four directors and Classes I and II consisting of three directors. As of the date of this prospectus, the directors designated as Class I directors have terms expiring at the annual meeting of stockholders that we expect to hold in 2026. The directors designated as Class II directors have terms expiring at the annual meeting of stockholders that we expect to hold in 2024. The directors designated as Class III directors have terms expiring at the annual meeting of stockholders that we expect to hold in 2025. At each annual meeting through (and including) the 2025 annual meeting of stockholders, directors for each class will be elected for a term of three years. Under the classified board provisions, it may take two elections of directors for any individual or group to gain control of our board of directors. Accordingly, these provisions could discourage a third party from initiating a proxy contest, making a tender offer or otherwise attempting to gain control of Westrock. Beginning at the first annual meeting of stockholders in 2026, the directors whose terms expire at such annual meeting and any subsequent annual

meeting will be elected to hold office for a one-year term expiring at the next annual meeting of stockholders and until such director's successor shall have been elected and qualified. The board of directors will be fully declassified following the annual meeting in 2028 with all directors standing for election for one-year terms.

At any meeting of stockholders for the election of directors at which a quorum is present, the election will be determined by a majority of the total voting power of shares of capital stock of Westrock present in person or represented by proxy at the meeting and entitled to vote on the matter, except that if the number of nominees exceeds the number of directors to be elected, the directors shall be elected by the vote of a plurality of the total voting power of shares of capital stock of Westrock present in person or represented by proxy at any such meeting.

Removal of Directors

Directors may be removed only for cause by the affirmative vote of the majority of the votes cast by the holders of shares entitled to vote for the election of directors; provided that once the directors are in a class that is elected for a one-year term, such director may be removed with or without cause.

Amendments to Certificate of Incorporation and Bylaws

Our certificate of incorporation provides that it may be amended or altered in any manner provided by the DGCL, provided that specified amendments will require the affirmative vote or consent of the holders of at least a majority of the shares of Series A Preferred Shares outstanding at such time, voting together as a separate class. See the section titled "*— Series A Preferred Shares — Consent Rights*" above. Our bylaws may be adopted, amended, altered or repealed by stockholders upon the approval of a majority of the voting power of all of the then-outstanding shares of stock entitled to vote at an election of directors, provided that specified amendments will require the affirmative vote or consent of the holders of at least a majority of the Series A Preferred Shares outstanding at such time, voting together as a separate class. See the section titled "*— Series A Preferred Shares — Consent Rights*" above. Additionally, subject to the rights of the Series A Preferred Shares, our certificate of incorporation and bylaws provide that our bylaws may be adopted, amended, altered or repealed by the board of directors.

Size of Board and Vacancies

Our certificate of incorporation and our bylaws provide that the number of directors on our board of directors is fixed exclusively by our board of directors. Our board currently consists of ten (10) directors, provided that, if certain affiliates of HF Capital, LLC exercise their director designation rights, we are required to increase the size of our board to eleven (11) directors, and otherwise, any increase or decrease to the size of the board requires the consent of certain investors specified in our investor rights agreement. Subject to the rights of certain investors specified in our investor rights agreement, any vacancies on our board of directors resulting from any increase in the authorized number of directors or the death, resignation, retirement, disqualification, removal from office or other cause will be filled by a majority of the board of directors then in office, whether or not less than a quorum. Subject to the rights of certain investors specified in our investor rights agreement, our certificate of incorporation and our bylaws provide that any director appointed to fill a vacancy on our board of directors will hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class to which he or she has been appointed expires and until such director's successor shall have been duly elected and qualified. See the section titled "*Investor Rights Agreement*."

Special Stockholder Meetings

Our bylaws provide that only the chairman of the board of directors, the chief executive officer or an officer at the request of a majority of the members of the board of directors pursuant to a resolution approved by the board of directors may call special meetings of Westrock stockholders, and stockholders may not call special stockholder meetings.

Stockholder Action by Written Consent

Stockholder action must take place at the annual or a special meeting of Westrock stockholders, provided that holders of the Series A Preferred Shares may take action or consent to any action with respect

to the matters described under the section titled “— *Series A Preferred Shares — Consent Rights*” above without a meeting by delivering a consent in writing or by electronic transmission of the holders of the Series A Preferred Shares entitled to cast not less than the minimum number of votes that would be necessary to authorize, take or consent to such action at a meeting of stockholders.

Requirements for Advance Notification of Stockholder Nominations and Proposals

Our bylaws contain advance notice procedures with respect to stockholder proposals and nomination of candidates for election as directors, as well as minimum qualification requirements for stockholders making the proposals or nominations. Additionally, our bylaws require that candidates nominated by stockholders for election as a director disclose their qualifications and make customary representations, including that (a) they are not a party to any undisclosed voting commitment, any voting commitment that could interfere with their ability to fulfill their fiduciary duties as a director of Westrock, should they be elected, or any undisclosed agreement pursuant to which they would receive compensation, reimbursement or indemnification in connection with their service as a director of Westrock, (b) they will be in compliance, should they be elected, with Westrock’s corporate governance guidelines and the Westrock’s conflict of interest, confidentiality and stock ownership and trading policies and (c) they will abide by the procedures for the election of directors in our bylaws.

No Cumulative Voting

The DGCL provides that stockholders will not have the right to cumulate votes in the election of directors unless the Company’s certificate of incorporation provides otherwise. Our certificate of incorporation does not provide for cumulative voting.

Undesignated Preferred Stock

The authority that our board of directors possesses to issue Preferred Shares could potentially be used to discourage attempts by third parties to obtain control of Westrock through a merger, tender offer, proxy contest or otherwise by making such attempts more difficult or more costly. Our board of directors may be able to issue Preferred Shares with voting rights or conversion rights that, if exercised, could adversely affect the voting power of the holders of the Common Shares.

Terms of the Preferred Shares

There are terms of the Series A Preferred Shares that may discourage attempts by third parties to obtain control of Westrock through a merger, tender offer, proxy contest or otherwise by making such attempts more difficult or more costly. These include: (i) the rights of the holders of Series A Preferred Shares to vote as a separate class with respect to amendments to the certificate of incorporation and bylaws of Westrock that would adversely affect the rights, preferences, privileges, voting power or special rights of the Series A Preferred Shares and, for so long as the BBH Investors and their controlled affiliates own at least sixty percent (60%) of the Series A Preferred Shares that the BBH Investors owned on August 26, 2022, any Fundamental Change in which the holders of the Series A Preferred Shares would receive less than \$18.50 per share (subject to adjustment), and (ii) the rights of the Series A Preferred Shares in a Fundamental Change to receive at least a specified amount. See the section titled “— *Preferred Stock*” above for more information.

Limitations on Liability, Indemnification of Officers and Directors, and Insurance

Elimination of Liability of Directors and Officers

The DGCL authorizes corporations to limit or eliminate the personal liability of directors and certain officers to corporations and their stockholders for monetary damages for breaches of directors’ fiduciary duties as directors or officers, as applicable, except for liability (1) for any breach of the director’s or officer’s duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) for a director under Section 174 of the DGCL (regarding, among other things, the payment of unlawful dividends or unlawful stock purchases or redemptions), (4) for any transaction from which the director derived an improper personal benefit, or

(5) for an officer, in any action by or in right of the corporation. Our certificate of incorporation provides that, to the fullest extent permitted by the DGCL, no director or officer will be personally liable to us or to our stockholders for monetary damages for breach of fiduciary duty as a director or officer, as applicable. While our certificate of incorporation provides directors and officers with protection from awards for monetary damages for breaches of their duty of care, it does not eliminate this duty. Accordingly, our certificate of incorporation has no effect on the availability of equitable remedies such as an injunction or rescission based on a director's breach of his or her duty of care.

Indemnification of Directors, Officers and Employees

Our certificate of incorporation and our bylaws require us to indemnify any person who was or is a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding by reason of the fact that he or she is or was a director or officer of Westrock, or is or was serving at the request of Westrock as a director, officer, trustee, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by Westrock, against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) incurred or suffered by such person in connection with such proceeding if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of Westrock and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

We are authorized under our bylaws to purchase and maintain insurance to protect Westrock and any current or former director, officer, employee or agent of Westrock or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not Westrock would have the power to indemnify such person against such expense, liability or loss under the DGCL.

We have entered into indemnification agreements with each of our directors and officers. The indemnification agreements provide that we will indemnify each indemnitee to the fullest extent permitted by the DGCL from and against all loss and liability suffered and expenses, judgments, fines and amounts paid in settlement incurred in connection with defending, investigating or settling any threatened, pending, or completed action, suit or proceeding related to the indemnitee's service with the Company. Additionally, we have agreed to advance to the indemnitee expenses incurred in connection therewith.

The limitation of liability and indemnification provisions in these indemnification agreements and our certificate of incorporation and bylaws may discourage stockholders from bringing a lawsuit against our directors and covered officers for breach of fiduciary duty. These provisions also may reduce the likelihood of derivative litigation against our directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In addition, your investment in our securities may be adversely affected to the extent we pay the costs of settlement and damage awards under these indemnification provisions.

Exclusive Forum

Our certificate of incorporation provides that, unless the Westrock board of directors consents in writing to the selection of an alternative forum, the Delaware Court of Chancery or, if the Delaware Court of Chancery declines to accept jurisdiction, any state or federal court within the District of Delaware, will be the sole and exclusive forum for any derivative action or proceeding brought on our behalf, any action asserting a claim for or based on a breach of a fiduciary duty owed by any of our current or former directors or officers or other employee to us or our stockholders, including a claim alleging the aiding and abetting of such a breach of fiduciary duty, any action asserting a claim against us or any of our current or former directors or officers or other employees arising pursuant to any provision of the DGCL or our certificate of incorporation or bylaws, or any action asserting a claim related to or involving us that is governed by the internal affairs doctrine under Delaware law and any action asserting an "internal corporate claim" as that term is defined in Section 115 of the DGCL. Section 27 of the Exchange Act provides that the district courts of the United States shall have exclusive jurisdiction of violations of the Exchange Act or the rules and regulations thereunder, and of all suits in equity and actions at law brought to enforce any liability or duty created by the Exchange Act or the rules and regulations thereunder. As a result, this forum selection provision

will not apply to actions arising under the Exchange Act or the rules and regulations thereunder. This forum selection provision will also not apply to any other claim for which the federal courts have exclusive jurisdiction. In addition, Westrock's certificate of incorporation provides that, unless we consent in writing to the selection of an alternative forum, the federal district courts of the United States of America shall, to the fullest extent permitted by law, be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act, or the rules and regulations promulgated thereunder. There is uncertainty as to whether a court would enforce this provision with respect to claims under the Securities Act, and our stockholders cannot waive compliance with the federal securities laws and the rules and regulations thereunder.

Corporate Opportunity Waiver

Our certificate of incorporation provides that Westrock waives, to the maximum extent permitted by law, the application of the doctrine of corporate opportunity, or any other analogous doctrine, with respect to Westrock, any non-employee directors or stockholders or any of their respective affiliates. Without limiting the foregoing, Westrock will renounce, to the fullest extent permitted by law, any interest or expectancy of Westrock, its stockholders and any of their respective affiliates in, or in being notified of or offered an opportunity to participate in, any Excluded Opportunity. An "Excluded Opportunity" is any matter, transaction or interest that is presented to, or acquired, created or developed by, or which otherwise comes into the possession of (i) any director of Westrock who is not an employee of Westrock or any of its subsidiaries or (ii) any such director's affiliates, partners, or other representatives (each of the foregoing, a "Covered Person"), unless such matter, transaction or interest is expressly offered to such director solely in his or her capacity as a director of Westrock. No Covered Person shall have any duty to communicate or offer an Excluded Opportunity to Westrock or any of its affiliates or stockholders, and no Covered Person shall have any liability to Westrock, any of its affiliates or stockholders for breach of any duty, as a director or otherwise, by reason of the fact that such Covered Person pursues or acquires an Excluded Opportunity, directs an Excluded Opportunity to another person or fails to present an Excluded Opportunity, or information regarding an Excluded Opportunity, to Westrock or any of its affiliates or stockholders.

Authorized but Unissued Shares

Our authorized but unissued shares of Common Shares and Preferred Shares will be available for future issuance without your approval. We may use additional shares for a variety of purposes, including future public offerings to raise additional capital, to fund acquisitions and as employee compensation. The existence of authorized but unissued shares of Common Shares and Preferred Shares could render more difficult or discourage an attempt to obtain control of Westrock by means of a proxy contest, tender offer, merger or otherwise.

Registration Rights

Certain of our stockholders have demand and piggy-back registration rights under the terms of our registration rights agreement, dated April 4, 2022.

Transfer Agent and Warrant Agent

The transfer agent and registrar for the Common Shares and Series A Preferred Shares is Computershare Trust Company, N.A.

Listing of Common Shares and Series A Preferred Shares

The Common Shares are listed on the Nasdaq under the symbol "WEST". The Series A Preferred Shares are not currently listed on any stock exchange, automated quotation system or other market and we do not currently intend to list the Series A Preferred Shares on any stock exchange, automated quotation system or other market.

DESCRIPTION OF EXISTING WARRANTS

The following description summarizes certain important terms of our existing warrants and our warrant agreement. This description is not complete and is qualified by reference to the full text of our warrant agreement, which is included as Exhibit 4.3 to the registration statement of which this prospectus is a part.

Our existing outstanding warrants consist of the Public Warrants, which are listed on the Nasdaq, and private placement warrants (the “Private Placement Warrants”), which represent warrants that were initially issued by Riverview Acquisition Corp. in private placement transactions and became warrants of Westrock as a result of our de-SPAC transaction with Riverview Acquisition Corp.

As of October 2, 2023, Westrock had approximately 19,144,120 Warrants issued and outstanding.

Public Warrants

Each whole Public Warrant entitles the registered holder to purchase one Common Share at a price of \$11.50 per share, subject to adjustment as discussed below, provided that Westrock has an effective registration statement under the Securities Act covering the Common Shares issuable upon exercise of the Public Warrants and a current prospectus relating to them is available (or Westrock permits holders to exercise their Public Warrants on a cashless basis under the circumstances specified in the warrant agreement) and such shares are registered, qualified or exempt from registration under the securities, or blue sky, laws of the state of residence of the holder. The Public Warrants will expire on August 26, 2027 at 5:00 p.m., New York City time, or earlier upon redemption or liquidation.

Westrock is not obligated to deliver any Common Shares pursuant to the exercise for cash of a Public Warrant and has no obligation to settle such Public Warrant exercise unless a registration statement under the Securities Act with respect to the Common Shares underlying the Public Warrants is then effective and a prospectus relating thereto is current, subject to Westrock satisfying its obligations described below with respect to registration, or a valid exemption from registration is available. No Public Warrant is exercisable and Westrock is not obligated to issue a Common Share upon exercise of a Public Warrant unless the Common Shares issuable upon such warrant exercise have been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the registered holder of the Public Warrants. In the event that the conditions in the two immediately preceding sentences are not satisfied with respect to a Public Warrant, the holder of such Public Warrant will not be entitled to exercise such Public Warrant and such Public Warrant may have no value and expire worthless. In no event will Westrock be required to net cash settle any Public Warrant.

Westrock has filed a registration statement on Form S-1 (File No.: 333-267509) under the Securities Act to register the Common Shares issuable upon exercise of the Public Warrants. Westrock is obligated to use its commercially reasonable efforts to maintain the effectiveness of the registration statement for the registration, under the Securities Act, of the Common Shares issuable upon exercise of the Warrants, and of a current prospectus relating thereto, until the expiration of the Warrants in accordance with the provisions of our existing warrant agreement. Under the terms of our warrant agreement, warrant holders will be permitted during any period when Westrock will have failed to maintain an effective registration statement, to exercise their warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act or another exemption.

In addition, if Common Shares are, at the time of any exercise of a Public Warrant, not listed on a national securities exchange such that they do not satisfy the definition of a “covered security” under Section 18(b)(1) of the Securities Act, Westrock may, at its option, require holders of the Public Warrants who exercise their Public Warrants to do so on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act and, in the event Westrock elects to do so, Westrock will not be required to file or maintain in effect a registration statement, but Westrock will use its best efforts to register or qualify the shares under applicable blue sky laws to the extent an exemption is not available. In such event, each holder would pay the exercise price by surrendering each such Public Warrant for that number of Common Shares equal to the quotient obtained by dividing (x) the product of the number of Common Shares underlying the Public Warrants, multiplied by the excess of the fair market value of the Common Shares over the exercise price of the Public Warrants by (y) the fair market value of the Common Shares. Under the warrant agreement,

the fair market value of the Common Shares means average reported last sale price of the Common Shares for the ten (10) trading days ending on the third trading day prior to the date on which the notice of redemption is sent to the holders of Public Warrants.

Redemption. Westrock may redeem not less than all of the outstanding Public Warrants:

- in whole and not in part;
- at a price of \$0.01 per Warrant;
- upon not less than 30 days' prior written notice of redemption to each Warrant holder; and
- if, and only if, the reported last sale price of the Common Shares for any 20 trading days within a 30-trading day period ending three business days before Westrock sends the notice of redemption to the warrant holders equals or exceeds \$18.00 per share.

If and when the Public Warrants become redeemable by Westrock, Westrock may exercise its redemption right even if Westrock is unable to register or qualify the underlying securities for sale under all applicable state securities laws.

If the foregoing conditions are satisfied and Westrock issues a notice of redemption of the Public Warrants, each warrant holder will be entitled to exercise his, her or its Public Warrant prior to the scheduled redemption date. However, the price of the Common Shares may fall below the \$18.00 redemption trigger price as well as the \$11.50 (for whole shares) Public Warrant exercise price after the redemption notice is issued.

If we call the Public Warrants for redemption as described above, Westrock's management will have the option to require any holder that wishes to exercise its Public Warrant to do so on a "cashless basis." If Westrock's management takes advantage of this option, all holders of Public Warrants would pay the exercise price by surrendering their Public Warrants for that number of Common Shares equal to the quotient obtained by dividing (x) the product of the number of Common Shares underlying the Public Warrants, multiplied by the excess of the fair market value of the Common Shares (as defined above) over the exercise price of the Public Warrants by (y) the fair market value of the Common Shares.

A holder of a Public Warrant may notify Westrock in writing in the event it elects to be subject to a requirement that such holder will not have the right to exercise such Public Warrant, to the extent that after giving effect to such exercise, such person (together with such person's affiliates), to the warrant agent's actual knowledge, would beneficially own in excess of 9.8% (or such other amount as a holder may specify) of the Common Shares outstanding immediately after giving effect to such exercise.

Anti-dilution Adjustments. If the number of outstanding Common Shares is increased by a stock dividend payable in Common Shares, or by a split-up of shares of Common Shares or other similar event, then, on the effective date of such stock dividend, split-up or similar event, the number of Common Shares issuable on exercise of each Public Warrant will be increased in proportion to such increase in the outstanding Common Shares. A rights offering to holders of Common Shares entitling holders to purchase Common Shares at a price less than the fair market value (as defined above) will be deemed a stock dividend of a number of Common Shares equal to the product of (i) the number of Common Shares actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for Common Shares) and (ii) one minus the quotient of (x) the price per Common Share paid in such rights offering and (y) the fair market value. For these purposes, (i) if the rights offering is for securities convertible into or exercisable for Common Shares, in determining the price payable for Common Shares, there will be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) "fair market value" means the volume-weighted average price of Common Shares as reported during the ten (10)-trading-day period ending on the trading day prior to the first date on which the Common Shares trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights.

In addition, if we, at any time while the Public Warrants are outstanding and unexpired, pay a dividend or make a distribution in cash, securities or other assets to the holders of Common Shares on account of such Common Shares (or other securities into which the Public Warrants are convertible), other

than (a) as described above or (b) specified ordinary cash dividends, then the Public Warrant exercise price will be decreased, effective immediately after the effective date of such event, by the amount of cash and/or the fair market value of any securities or other assets paid on each Common Share in respect of such event.

If the number of outstanding Common Shares is decreased by a consolidation, combination, reverse stock split or reclassification of Common Shares or other similar event, then, on the effective date of such consolidation, combination, reverse share split, reclassification or similar event, the number of Common Shares issuable on exercise of each Public Warrant will be decreased in proportion to such decrease in outstanding Common Shares.

Whenever the number of Common Shares purchasable upon the exercise of the Public Warrants is adjusted, as described above, the Public Warrant exercise price will be adjusted by multiplying the Public Warrant exercise price immediately prior to such adjustment by a fraction (x) the numerator of which will be the number of Common Shares purchasable upon the exercise of the Public Warrants immediately prior to such adjustment and (y) the denominator of which will be the number of Common Shares so purchasable immediately thereafter.

In case of any reclassification or reorganization of the outstanding Common Shares (other than those described above or that solely affects the par value of such Common Shares), or in the case of any merger or consolidation of Westrock with or into another corporation (other than a consolidation or merger in which Westrock is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding Common Shares), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of Westrock as an entirety or substantially as an entirety in connection with which Westrock is dissolved, the holders of the Public Warrants will thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Public Warrants and in lieu of the Common Shares immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of Common Shares or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the Public Warrants would have received if such holder had exercised their Public Warrants immediately prior to such event. If less than 70% of the consideration receivable by the holders of Common Shares in such a transaction is payable in the form of Common Shares in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the registered holder of the Public Warrant properly exercises the Public Warrant within thirty days following public disclosure of such transaction, the Public Warrant exercise price will be reduced as specified in our warrant agreement based on the Black-Scholes Warrant Value (as defined in our warrant agreement) of the Public Warrant.

Our warrant agreement provides that the terms of the Public Warrants may be amended without the consent of any holder to cure any ambiguity or correct any defective provision, but requires the approval by the holders of at least 50% of the then-outstanding Public Warrants to make any change that adversely affects the interests of the registered holders of Public Warrants.

The Public Warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of the warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price (or on a cashless basis, if applicable), by certified or official bank check payable to Westrock, for the number of Public Warrants being exercised. The warrant holders do not have the rights or privileges of holders of Common Shares and any voting rights until they exercise their Public Warrants and receive Common Shares.

No fractional shares will be issued upon exercise of the Public Warrants. If, upon exercise of the Public Warrants, a holder would be entitled to receive a fractional interest in a share, Westrock will, upon exercise, round down to the nearest whole number, the number of Common Shares to be issued to the warrant holder.

Private Placement Warrants

The Private Placement Warrants (including the Common Shares issuable upon exercise of the Private Placement Warrants) may not be redeemable by Westrock so long as they are held by Riverview Sponsor

Partners, LLC (“Riverview Sponsor”) or its permitted transferees (except as otherwise set forth herein). Riverview Sponsor, or its permitted transferees, have the option to exercise the Private Placement Warrants on a cashless basis. Except as described below, the Private Placement Warrants have terms and provisions that are identical to those of the Public Warrants. If the Private Placement Warrants are held by holders other than Riverview Sponsor or its permitted transferees, the Private Placement Warrants will be redeemable by Westrock in all redemption scenarios and exercisable by the holders on the same basis as the Public Warrants.

If holders of the Private Placement Warrants elect to exercise them on a cashless basis, they would pay the exercise price by surrendering his, her or its Private Placement Warrants for that number of Common Shares equal to the quotient obtained by dividing (x) the product of the number of Common Shares underlying the Private Placement Warrants, multiplied by the excess of the historical fair market value (defined below) of the Common Shares over the exercise price of the Private Placement Warrants by (y) the fair market value of the Common Shares. For these purposes, the “historical fair market value” shall mean the average last reported sale price of the Common Shares for the 10 trading days ending on the third trading day prior to the date on which the notice of warrant exercise is sent to the warrant agent.

Transfer Agent and Warrant Agent

The warrant agent for our existing warrants is Computershare Inc. and Computershare Trust Company, N.A.

INVESTOR RIGHTS AGREEMENT

The following description summarizes certain important terms of our investor rights agreement. This description is not complete and is qualified by reference to the full text of our investor rights agreement, which is included as Exhibit 4.4 to the registration statement of which this prospectus is a part.

The parties to our investor rights agreement are (i) Westrock Group, LLC (together with certain other entities, the “WCC Investors”), (ii) BBH Capital Partners V, L.P., BBH Capital Partners V-A, L.P., and BBH CPV WCC Co-Investment LLC (as referred to before, the “BBH Investors”), (iii) Riverview Sponsor, and (iv) HF Direct Investments Pool, LLC (“HF Investor”).

Pursuant to our investor rights agreement, the Westrock board of directors will consist of ten directors, provided that if the HF Investor exercises its board designation right, Westrock is required to increase the size of the board to eleven directors. The WCC Investors have the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock (a) up to two directors (of which, so long as the Westrock board of directors is classified, one director will be for Class I and one director will be for Class III) for so long as the initial WCC Investors collectively beneficially own at least 10% of our outstanding stock and (b) up to one director (which such director will be for Class III so long as the Westrock board of directors is classified), so long as the WCC Investors collectively beneficially own at least 5% of our outstanding stock but less than 10% of our outstanding stock. The BBH Investors have the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock (a) up to two directors (of which, so long as the Westrock board of directors is classified, one director will be for Class II and one director will be for Class III) for so long as the BBH Investors collectively beneficially own at least 10% of our outstanding stock and (b) up to one director (which such director will be for Class III so long as the Westrock board of directors is classified), so long as the BBH Investors collectively beneficially own at least 5% of our outstanding stock but less than 10% of our outstanding stock; provided that, such designated directors must satisfy the independence requirements under the Nasdaq listing standards. Riverview Sponsor has the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock (a) two directors (of which, so long as the Westrock board of directors is classified, one director will be for Class I and one director will be for Class II) for so long as Riverview Sponsor, any controlled affiliate of R. Brad Martin and certain investors who invested in the Company by purchasing Riverview Acquisition Corp. shares collectively beneficially own at least 10% of our outstanding stock and (b) one director (of which, so long as the Westrock board of directors is classified, will be for Class I), for so long as Riverview Sponsor, any controlled affiliate of R. Brad Martin and such PIPE Investors collectively beneficially own at least 5% of our outstanding stock but less than 10% of our outstanding stock; provided that, such designated directors must satisfy independence requirements under the Nasdaq listing standards. The remaining directors will be designated for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock by the Nominating and Corporate Governance Committee of the Westrock board of directors and must satisfy independence requirements under the Nasdaq listing standards. Additionally, the HF Investor has the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock up to one director (which such director will be for Class II so long as the Westrock board of directors is classified), so long as the HF Investor beneficially owns at least 5% of our outstanding stock.

If the BBH Investors have the right to nominate at least one director and none of the directors designated by BBH are R. Patrick Kruczek or Matthew Salsbury (the “Specified BBH Individuals”), Westrock is required to appoint one Specified BBH Individual not then serving as a director on the Westrock board of directors as a non-voting observer of the Westrock board of directors.

As noted before, pursuant to our investor rights agreement, the Westrock board of directors will consist of ten directors, provided that, if the HF Investor exercises its board designation right, Westrock is required to increase the size of the board to eleven directors. Any increase or decrease of the size of the Westrock board of directors above or below this specified number will require the consent of each of the WCC Investors, the BBH Investors, Riverview Sponsor and the HF Investor, so long as such investor has the right to designate at least one director. In the event that a vacancy is created at any time by the death, disqualification, resignation, removal or failure to be elected by Westrock’s stockholders (and no other director has been elected by the stockholders of Westrock to fill such vacancy) of a director designated by

the WCC Investors, the BBH Investors, Riverview Sponsor or the HF Investor, the applicable designating party will have the right to designate a replacement to fill such vacancy and the Westrock board of directors will use reasonable best efforts to cause such designee to be promptly appointed to the Westrock board of directors to fill such vacancy, subject to applicable law.

Our investor rights agreement also provides preemptive rights to the BBH Investors. Subject to customary exceptions, for so long as the BBH Investors have the right to designate at least one director, if Westrock proposes to issue any Common Shares or equity interests of Westrock (including any warrants, options or other rights to acquire, or any securities that are exercisable for, exchangeable for or convertible into, Common Shares or any class of security of Westrock) (a) in an unregistered offering to third parties or (b) at an offering price or implied offering price (in each case, prior to any underwriters' discount and any other fees and commissions) for the Common Shares that is less than \$10.00 per share (subject to customary adjustments), the BBH Investors have the right to purchase their pro-rata amount of such equity interests on the same terms and conditions and at the same price as being offered in such offering.

The WCC Investors, the BBH Investors, Riverview Sponsor and the HF Investor are subject to customary standstill restrictions, including that such investors or any controlled affiliate of the controlling persons of such investors cannot, without Westrock's prior written consent, (a) make any public announcement, proposal or offer with respect to, or otherwise solicit, seek or offer to effect (i) any business combination, merger, tender offer, exchange offer, sale of all or substantially all assets or similar transaction, (ii) any restructuring, recapitalization, liquidation or similar transaction involving Westrock or any of its subsidiaries, or (iii) any acquisition of any of Westrock's loans, debt securities, equity securities or assets, or rights or options to acquire interests in any of Westrock's loans, debt securities, equity securities or asset; (b) seek to control or change the management or the board of directors of Westrock; (c) call any special meeting of stockholders of Westrock or engage in any written consent of stockholders regarding the foregoing; (d) publicly disclose any intention, plan or arrangement prohibited by the foregoing or take any action that would or would reasonably be expected to require Westrock to make a public announcement regarding the possibility of a transaction or any of the events described in this paragraph, or (e) contest the validity of the standstill restrictions or make, initiate, take or participate in any demand, action (legal or otherwise) or proposal to amend, waive or terminate any provision of the standstill restrictions. Subject to specified early termination triggers, the standstill restrictions with respect to the WCC Investors, BBH Investors, Riverview Sponsor and the HF Investor automatically terminate on the first day after such investor no longer has the right to designate any directors for nomination pursuant to our investor rights agreement.

Our investor rights agreement also provides that if an Escalation Event is ongoing during the period during which the BBH Investors have the right to designate at least one director pursuant to our investor rights agreement, Westrock may not take specified actions, that would require lender consent under our credit facility, without the consent of the BBH Investors and must provide the BBH Investors with the same information it provides to the lenders under our credit facility and at substantially the same time as it is provided to such lenders.

The BBH Investors and the HF Investor are subject to certain short-sale and hedging restrictions with respect to our securities for so long as they have director designation rights under our investor rights agreement.

Our investor rights agreement also provides that Westrock cannot redeem any Series A Preferred Shares held by the BBH Investors if the redemption price for such shares is less than \$18.50 per share (subject to adjustments), provided that Westrock may redeem such shares in such a case if it pays an incremental price per share on the redemption date to the BBH Investors equal to the difference between \$18.50 per share (subject to adjustments) and the redemption price.

Our investor rights agreement also imposes customary confidentiality obligations on the WCC Investors, BBH Investors, Riverview Sponsor and the HF Investor.

Our investor rights agreement is governed under Delaware law.

DESCRIPTION OF PREFERRED SHARES ISSUABLE

Under the terms of our certificate of incorporation, our board of directors is authorized, subject to limitations prescribed by the DGCL and by our certificate of incorporation, to issue up to 24,000,000 Series A Preferred Shares and up to 26,000,000 Preferred Shares in one or more other series without further action by the holders of Common Shares. Our board of directors has the discretion, subject to limitations prescribed by the DGCL, our certificate of incorporation and our investor rights agreement, to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, of each series of preferred stock.

The rights, preferences, privileges and restrictions of the Series A Preferred Shares are described in the section titled “*Description of Securities — Series A Preferred Shares*”.

The foregoing description is qualified in its entirety by the text of our certificate of incorporation, our bylaws and the DGCL.

The applicable prospectus supplement will describe the terms of any Preferred Shares in respect of which this prospectus is being delivered.

DESCRIPTION OF DEPOSITARY SHARES ISSUABLE

General. We may, at our option, elect to offer depositary shares representing fractional interests in Preferred Shares. If we do, we will arrange the issuance by a depositary of receipts for depositary shares, and each of those depositary shares will represent a fractional interest in a Preferred Share. We will specify that fractional interest in the applicable prospectus supplement.

The Preferred Shares underlying the depositary shares offered by use of this prospectus and an applicable prospectus supplement will be deposited under a deposit agreement between us and a depositary selected by us. Subject to the terms of the deposit agreement, each owner of a depositary share will be entitled, in proportion to the applicable fractional interest in the Preferred Share underlying that depositary share, to all the powers, preferences and rights of the Preferred Share underlying that depositary share, in proportion to the applicable fractional interest in the Preferred Share which those depositary shares represent. Those rights include dividend, voting, redemption, conversion and liquidation rights.

The depositary shares offered by use of this prospectus and an applicable prospectus supplement will be evidenced by depositary receipts issued under the deposit agreement. The depositary will issue depositary receipts to those persons who purchase the fractional interests in the Preferred Share underlying the depositary shares, in accordance with the terms of the offering. The following summary of the deposit agreement, the depositary shares and the depositary receipts is not complete. You should refer to the forms of the deposit agreement and depositary receipts that will be included as exhibits to the registration statement.

Dividends and Other Distributions. The depositary will distribute all cash dividends or other cash distributions received in respect of the Preferred Share to the record holders of related depositary receipts in proportion to the number of depositary shares owned by those holders.

If we make a distribution other than in cash, the depositary will distribute property received by it to the record holders of depositary receipts that are entitled to receive the distribution as nearly as practicable in proportion to the number of depositary shares held by each holder, unless the depositary determines that it is not feasible to make the distribution. If this occurs, the depositary may, with our approval, adopt a method of distribution that it deems practicable, including the sale of the property and distribution of the net proceeds from the sale to the applicable holders of the depositary receipts.

Redemption of Depositary Shares. Upon redemption, in whole or in part, of shares of any series of Preferred Share that are held by the depositary, the depositary will redeem, as of the same redemption date, the number of depositary shares representing the Preferred Share so redeemed. The redemption price per depositary share will be equal to the applicable fraction of the redemption price per share payable with respect to that series of Preferred Share.

Depositary shares called for redemption will no longer be outstanding after the applicable redemption date, and all rights of the holders of those depositary shares will cease, except the right to receive any money, securities, or other property upon surrender to the depositary of the depositary receipts evidencing those depositary shares.

Voting the Preferred Shares. Upon receipt of notice of any meeting at which the holders of Preferred Shares are entitled to vote, the depositary will mail the information contained in the notice of meeting to the record holders of the depositary shares representing that Preferred Share. Each record holder of those depositary shares on the record date, which will be the same date as the record date for the Preferred Shares, will be entitled to instruct the depositary as to the exercise of the voting rights pertaining to the amount of the Preferred Shares underlying that holder's depositary shares. The depositary will try, to the extent practicable, to vote the number of Preferred Shares underlying those depositary shares in accordance with those instructions, and we will agree to take all action that the depositary deems necessary in order to enable the depositary to do so. The depositary will not vote the Preferred Shares to the extent it does not receive specific instructions from the holders of depositary shares representing the Preferred Shares.

Amendment and Termination of the Deposit Agreement. We and the depositary may amend the form of depositary receipt evidencing the depositary shares and any provision of the deposit agreement at any time regarding any depositary shares offered by use of this prospectus and an applicable prospectus supplement. However, any amendment that materially and adversely alters the rights of the holders of

depository shares or would be materially and adversely inconsistent with the rights granted to holders of the underlying Preferred Shares pursuant to our certificate of incorporation will not be effective unless the amendment has been approved by the holders of at least a majority of the depository shares then outstanding. The deposit agreement may be terminated by us or by the depository only if:

- all outstanding depository shares have been redeemed; or
- there has been a final distribution of the underlying Preferred Shares in connection with our liquidation, dissolution or winding up and the Preferred Shares have been distributed to the holders of depository receipts.

Charges of Depository. We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depository arrangements regarding any depository shares offered by use of this prospectus and an applicable prospectus supplement. We will also pay charges of the depository in connection with the initial deposit of the Preferred Shares and any redemption of the Preferred Shares. Holders of depository receipts will pay transfer and other taxes and governmental charges and other charges with respect to their depository receipts as expressly provided in the deposit agreement.

Resignation and Removal of Depository. The depository for the depository shares offered by use of this prospectus and an applicable prospectus supplement may resign at any time by delivering a notice to us of its election to do so. We may remove the depository at any time. Any such resignation or removal will take effect upon the appointment of a successor depository and its acceptance of its appointment.

Miscellaneous. The depository will forward to holders of depository receipts all reports and communications from us that we deliver to the depository and that we are required to furnish to the holders of the Preferred Shares.

Neither we nor the depository will be liable if either of us is prevented or delayed by law or any circumstance beyond our control in performing our respective obligations under the deposit agreement. Our obligations and those of the depository will be limited to performing in good faith our respective duties under the deposit agreement. Neither we nor the depository will be obligated to prosecute or defend any legal proceeding relating to any depository shares or Preferred Shares unless satisfactory indemnity is furnished. We and the depository may rely upon written advice of counsel or accountants, or upon information provided by persons presenting Preferred Shares for deposit, holders of depository receipts or other persons we believe to be competent, and on documents we believe to be genuine.

The applicable prospectus supplement will modify or supplement and provide additional terms about the terms of any depository shares in respect of which this prospectus is being delivered.

DESCRIPTION OF WARRANTS ISSUABLE

We may issue warrants to purchase our debt or equity securities or securities of third parties or other rights, including rights to receive payment in cash or securities based on the value, rate or price of one or more specified commodities, currencies, securities or indices, or any combination of the foregoing. Warrants may be issued independently or together with any other securities and may be attached to, or separate from, such securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a warrant agent. The terms of any warrants to be issued and a description of the material provisions of the applicable warrant agreement will be set forth in the applicable prospectus supplement.

The applicable prospectus supplement will describe the following terms of any warrants in respect of which this prospectus is being delivered:

- the title of such warrants;
- the aggregate number of such warrants;
- the price or prices at which such warrants will be issued;
- the currency or currencies in which the price of such warrants will be payable;
- the securities or other rights, including rights to receive payment in cash or securities based on the value, rate or price of one or more specified commodities, currencies, securities or indices, or any combination of the foregoing, purchasable upon exercise of such warrants;
- the price at which and the currency or currencies in which the securities or other rights purchasable upon exercise of such warrants may be purchased;
- the date on which the right to exercise such warrants shall commence and the date on which such right shall expire;
- if applicable, the minimum or maximum amount of such warrants which may be exercised at any one time;
- if applicable, the designation and terms of the securities with which such warrants are issued and the number of such warrants issued with each such security;
- if applicable, the date on and after which such warrants and the related securities will be separately transferable;
- information with respect to book-entry procedures, if any;
- if applicable, a discussion of any material United States Federal income tax considerations; and
- any other terms of such warrants, including terms, procedures and limitations relating to the exchange and exercise of such warrants.

DESCRIPTION OF UNITS ISSUABLE

We may issue units consisting of one or more warrants, Preferred Shares, Common Shares or any combination of such securities. The terms of any units being offered will be set forth in the applicable prospectus supplement.

The applicable prospectus supplement will set forth the following terms of the units in respect of which this prospectus is delivered:

- the terms of the units and of the warrants, Preferred Shares and Common Shares comprising the units, including whether and under what circumstances the securities comprising the units may be traded separately;
- a description of the terms of any unit agreement governing the units; and
- a description of the provisions for the payment, settlement, transfer or exchange of the units.

FORMS OF SECURITIES

We can issue securities in registered form or in the form of one or more global securities. We describe global securities in greater detail below. We refer to those persons who have securities registered in their own names on the books that we or any applicable trustee or depositary maintain for this purpose as the “holders” of those securities. These persons are the legal holders of the securities. We refer to those persons who, indirectly through others, own beneficial interests in securities that are not registered in their own names, as “indirect holders” of those securities. As we discuss below, indirect holders are not legal holders, and investors in securities issued in book-entry form or in street name will be indirect holders.

Book-Entry Holders

We may issue securities in book-entry form only, as we will specify in the applicable prospectus supplement. This means securities may be represented by one or more global securities registered in the name of a financial institution that holds them as depositary on behalf of other financial institutions that participate in the depositary’s book-entry system. These participating institutions, which are referred to as participants, in turn, hold beneficial interests in the securities on behalf of themselves or their customers.

Only the person in whose name a security is registered is recognized as the holder of that security. Global securities will be registered in the name of the depositary or its participants. Consequently, for global securities, we will recognize only the depositary as the holder of the securities, and we will make all payments on the securities to the depositary. The depositary passes along the payments it receives to its participants, which in turn pass the payments along to their customers who are the beneficial owners. The depositary and its participants do so under agreements they have made with one another or with their customers; they are not obligated to do so under the terms of the securities.

As a result, investors in a global security will not own securities directly. Instead, they will own beneficial interests in a global security, through a bank, broker or other financial institution that participates in the depositary’s book-entry system or holds an interest through a participant. As long as the securities are issued in global form, investors will be indirect holders, and not legal holders, of the securities.

Street Name Holders

We may terminate a global security or issue securities that are not issued in global form. In these cases, investors may choose to hold their securities in their own names or in “street name.” Securities held by an investor in street name would be registered in the name of a bank, broker or other financial institution that the investor chooses, and the investor would hold only a beneficial interest in those securities through an account he or she maintains at that institution.

For securities held in street name, we or any applicable trustee or depositary will recognize only the intermediary banks, brokers and other financial institutions in whose names the securities are registered as the holders of those securities, and we or any such trustee or depositary will make all payments on those securities to them. These institutions pass along the payments they receive to their customers who are the beneficial owners, but only because they agree to do so in their customer agreements or because they are legally required to do so. Investors who hold securities in street name will be indirect holders, not holders, of those securities.

Legal Holders

Our obligations, as well as the obligations of any applicable trustee or third party employed by us or a trustee, run only to the legal holders of the securities. We do not have obligations to investors who hold beneficial interests in global securities, in street name or by any other indirect means. This will be the case whether an investor chooses to be an indirect holder of a security or has no choice because we are issuing the securities only in global form. For example, once we make a payment or give a notice to the holder, we have no further responsibility for the payment or notice even if that holder is required, under agreements with its participants or customers or by law, to pass it along to the indirect holders but does not do so. Similarly, we may want to obtain the approval of the holders to amend an indenture, to relieve us of the consequences of a default or of our obligation to comply with a particular provision of an indenture, or

for other purposes. In such an event, we would seek approval only from the holders, and not the indirect holders, of the securities. Whether and how the legal holders contact the indirect holders is up to the legal holders.

Special Considerations for Indirect Holders

If you hold securities through a bank, broker or other financial institution, either in book-entry form because the securities are represented by one or more global securities or in street name, you should check with your own institution to find out:

- how it handles securities payments and notices;
- whether it imposes fees or charges;
- how it would handle a request for the holders' consent, if ever required;
- whether and how you can instruct it to send you securities registered in your own name so you can be a holder, if that is permitted in the future;
- how it would exercise rights under the securities if there were a default or other event triggering the need for holders to act to protect their interests; and
- if the securities are in book-entry form, how the depository's rules and procedures will affect these matters.

Global Securities

A global security is a security that represents one or any other number of individual securities held by a depository. Generally, all securities represented by the same global securities will have the same terms.

Each security issued in book-entry form will be represented by a global security that we issue to, deposit with and register in the name of a financial institution or its nominee that we select. The financial institution that we select for this purpose is called the depository. Unless we specify otherwise in the applicable prospectus supplement, the DTC, New York, New York, will be the depository for all securities issued in book-entry form.

A global security may not be transferred to or registered in the name of anyone other than the depository, its nominee or a successor depository, unless special termination situations arise. We describe those situations below under "— Special Situations When a Global Security Will Be Terminated." As a result of these arrangements, the depository, or its nominee, will be the sole registered owner and legal holder of all securities represented by a global security, and investors will be permitted to own only beneficial interests in a global security. Beneficial interests must be held by means of an account with a broker, bank or other financial institution that in turn has an account with the depository or with another institution that does. Thus, an investor whose security is represented by a global security will not be a legal holder of the security, but only an indirect holder of a beneficial interest in the global security.

If the prospectus supplement for a particular security indicates that the security will be issued as a global security, then the security will be represented by a global security at all times unless and until the global security is terminated. If termination occurs, we may issue the securities through another book-entry clearing system or decide that the securities may no longer be held through any book-entry clearing system.

Special Considerations for Global Securities

As an indirect holder, an investor's rights relating to a global security will be governed by the account rules of the investor's financial institution and of the depository, as well as general laws relating to securities transfers.

We do not recognize an indirect holder as a holder of securities and instead deal only with the depository that holds the global security.

If securities are issued only as global securities, an investor should be aware of the following:

- an investor cannot cause the securities to be registered in his or her name, and cannot obtain non-global certificates for his or her interest in the securities, except in the special situations we describe below;
- an investor will be an indirect holder and must look to his or her own bank or broker for payments on the securities and protection of his or her legal rights relating to the securities, as we describe above;
- an investor may not be able to sell interests in the securities to some insurance companies and to other institutions that are required by law to own their securities in non-book-entry form;
- an investor may not be able to pledge his or her interest in the global security in circumstances where certificates representing the securities must be delivered to the lender or other beneficiary of the pledge in order for the pledge to be effective;
- the depositary's policies, which may change from time to time, will govern payments, transfers, exchanges and other matters relating to an investor's interest in the global security;
- we and any applicable trustee have no responsibility for any aspect of the depositary's actions or for its records of ownership interests in the global security, nor will we or any applicable trustee supervise the depositary in any way;
- the depositary may, and we understand that the DTC will, require that those who purchase and sell interests in the global security within its book-entry system use immediately available funds, and your broker or bank may require you to do so as well; and
- financial institutions that participate in the depositary's book-entry system, and through which an investor holds its interest in the global security, may also have their own policies affecting payments, notices and other matters relating to the securities.

There may be more than one financial intermediary in the chain of ownership for an investor. We do not monitor and are not responsible for the actions of any of those intermediaries.

Special Situations When a Global Security Will Be Terminated

In a few special situations described below, a global security will terminate and interests in it will be exchanged for physical certificates representing those interests. After that exchange, the choice of whether to hold securities directly or in street name will be up to the investor. Investors must consult their own banks or brokers to find out how to have their interests in securities transferred to their own names, so that they will be direct holders. We have described the rights of holders and street name investors above.

Unless we provide otherwise in the applicable prospectus supplement, the global security will terminate when the following special situations occur:

- if the depositary notifies us that it is unwilling, unable or no longer qualified to continue as depositary for that global security and we do not appoint another institution to act as depositary within 90 days;
- if we notify any applicable trustee that we wish to terminate that global security; or
- if an event of default has occurred with regard to securities represented by that global security and has not been cured or waived.

The applicable prospectus supplement may also list additional situations for terminating a global security that would apply only to the particular series of securities covered by the prospectus supplement. When a global security terminates, the depositary, and neither we nor any applicable trustee, is responsible for deciding the names of the institutions that will be the initial direct holders.

PLAN OF DISTRIBUTION

We may sell the securities from time to time pursuant to underwritten public offerings, direct sales to the public, “at-the-market” offerings, negotiated transactions, block trades or a combination of these methods. We may sell the securities to or through one or more underwriters or dealers (acting as principal or agent), through agents, or directly to one or more purchasers. We may distribute the securities from time to time in one or more transactions:

- at a fixed price or prices, which may be changed;
- at market prices prevailing at the time of sale;
- at prices related to such prevailing market prices; or
- at negotiated prices.

A distribution of the securities offered by this prospectus may also be effected through the issuance of derivative securities, including, without limitation, warrants, exchangeable securities, forward delivery contracts and the writing of options.

In addition, we may enter into derivative or hedging transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. In connection with such a transaction, the third parties may sell securities covered by and pursuant to this prospectus and an applicable prospectus supplement or pricing supplement, as the case may be. If so, the third party may use securities borrowed from us or others to settle such sales and may use securities received from us to close out any related short positions. We may also loan or pledge securities covered by this prospectus and an applicable prospectus supplement to third parties, who may sell the loaned securities or, in an event of default in the case of a pledge, sell the pledged securities pursuant to this prospectus and the applicable prospectus supplement.

We will describe the terms of the offering of the securities and the specific plan of distribution in a prospectus supplement or supplements to this prospectus, any related free writing prospectus that we may authorize to be provided to you, an amendment to the registration statement of which this prospectus is a part or other filings we make with the SEC under the Exchange Act that are incorporated by reference. Such description may include, to the extent applicable:

- the name or names of any underwriters, dealers, agents or other purchasers;
- the purchase price of the securities or other consideration therefor, and the proceeds, if any, we will receive from the sale;
- any options to purchase additional shares or other options under which underwriters, dealers, agents or other purchasers may purchase additional securities from us;
- any agency fees or underwriting discounts and other items constituting agents’ or underwriters’ compensation;
- any public offering price;
- any discounts or concessions allowed or reallowed or paid to dealers; and
- any securities exchange or market on which the securities may be listed.

Only underwriters named in the prospectus supplement will be underwriters of the securities offered by the prospectus supplement. Dealers and agents participating in the distribution of the securities may be deemed to be underwriters, and compensation received by them on resale of the securities may be deemed to be underwriting discounts. If such dealers or agents were deemed to be underwriters, they may be subject to statutory liabilities under the Securities Act.

If underwriters are used in the sale, they will acquire the securities for their own account and may resell the securities from time to time in one or more transactions at a fixed public offering price or at varying prices determined at the time of sale. Underwriters could make sales in privately negotiated transactions and/or any other method permitted by law, including sales deemed to be an “at-the-market” offering as defined in

Rule 415 promulgated under the Securities Act, sales made directly on the Nasdaq, the existing trading market for our Common Shares and Public Warrants, or sales made to or through a market maker other than on an exchange. The obligations of the underwriters to purchase the securities will be subject to the conditions set forth in the applicable underwriting agreement. We may offer the securities to the public through underwriting syndicates represented by managing underwriters or by underwriters without a syndicate. Subject to certain conditions, the underwriters will be obligated to purchase all of the securities offered by the prospectus supplement, other than securities covered by any option to purchase additional shares or other options. If a dealer is used in the sale of securities, we, or an underwriter, will sell the securities to the dealer, as principal. The dealer may then resell the securities to the public at varying prices to be determined by the dealer at the time of resale. To the extent required, we will set forth in the prospectus supplement the name of the dealer and the terms of the transaction. Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may change from time to time. We may use underwriters, dealers or agents with whom we have a material relationship.

We will describe in the prospectus supplement, naming the underwriter, dealer or agent, the nature of any such relationship.

We may sell securities directly or through agents we designate from time to time. We will name any agent involved in the offering and sale of securities and we will describe any commissions payable to the agent in the prospectus supplement. Unless the prospectus supplement states otherwise, the agent will act on a best-efforts basis for the period of its appointment.

We may authorize agents, dealers or underwriters to solicit certain institutional investors to purchase offered securities on a delayed delivery basis pursuant to delayed delivery contracts providing for payment and delivery on a specified future date. The applicable prospectus supplement will provide the details of any such arrangement, including the offering price and commissions payable on the solicitations. We will enter into such delayed contracts only with institutional purchasers that we approve. These institutions may include commercial and savings banks, insurance companies, pension funds, investment companies and educational and charitable institutions.

We may provide agents, dealers and underwriters with indemnification against civil liabilities, including liabilities under the Securities Act, or contribution with respect to payments that the agents or dealers or underwriters may make with respect to these liabilities. Agents, dealers and underwriters or their affiliates may engage in transactions with, or perform services for us in the ordinary course of business.

All securities we may offer, other than Common Shares, will be new issues of securities with no established trading market. Any underwriters may make a market in these securities, but will not be obligated to do so and may discontinue any market making at any time without notice. We cannot guarantee the liquidity of the trading markets for any securities.

Any underwriter may be granted an option to purchase additional shares, and engage in stabilizing transactions, short-covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. An underwriter's option to purchase additional shares involves sales in excess of the offering size, which create a short position. Stabilizing transactions permit bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum price. Syndicate-covering or other short-covering transactions involve purchases of the securities, either through exercise of the option to purchase additional shares or in the open market after the distribution is completed, to cover short positions. Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the securities originally sold by the dealer are purchased in a stabilizing or covering transaction to cover short positions. Those activities may cause the price of the securities to be higher than it would otherwise be. If commenced, the underwriters may discontinue any of the activities at any time.

Any underwriters, dealers or agents that are qualified market makers on the Nasdaq may engage in passive market making transactions in our Common Shares on the Nasdaq in accordance with Regulation M under the Exchange Act, during the business day prior to the pricing of the offering, before the commencement of offers or sales of the Common Shares. Passive market makers must comply with applicable volume and price limitations and must be identified as passive market makers. In general, a passive market maker must display its bid at a price not in excess of the highest independent bid for such security; if all

independent bids are lowered below the passive market maker's bid, however, the passive market maker's bid must then be lowered when certain purchase limits are exceeded. Passive market making may stabilize the market price of the securities at a level above that which might otherwise prevail in the open market and, if commenced, may be discontinued at any time.

LEGAL MATTERS

Unless otherwise indicated in the applicable prospectus supplement, certain legal matters in connection with the offering and the validity of the securities offered by this prospectus, and any supplement thereto, will be passed upon by Wachtell, Lipton, Rosen & Katz. Additional legal matters may be passed upon for us or any underwriters, dealers or agents, by counsel that we will name in the applicable prospectus supplement.

PRELIMINARY PROSPECTUS (Subject to Completion)

Dated October 2, 2023

Up to 19,144,120 Shares of Common Stock

This prospectus relates to the issuance by Westrock Coffee Company (together with its consolidated subsidiaries, “Westrock,” the “Company,” “we” or “us”) from time to time of up to 19,144,120 shares of our common stock, par value \$0.01 per share (the “Common Shares”), issuable upon the exercise of outstanding warrants (the “Warrants”).

This prospectus is not offering any Warrants.

We will receive proceeds from the exercise of the Warrants in cash. The exercise price of our Warrants is \$11.50 per Common Share. We believe the likelihood that Warrant holders will exercise their Warrants, and therefore the amount of cash proceeds that we would receive, is dependent upon the trading price of our Common Shares. If the trading price for our Common Shares is less than \$11.50 per share, we believe holders of our Warrants are unlikely to exercise their Warrants. Conversely, the Warrant holders are more likely to exercise their Warrants the higher the price of our Common Shares is above \$11.50 per share. The closing price of our Common Shares on the Nasdaq Stock Market on [], 2023 was [below] / [above] the Warrant exercise price of \$11.50 per share. The Warrants are exercisable on a cashless basis under certain circumstances specified in the amended and restated warrant agreement for the Warrants. To the extent that any Warrants are exercised on a cashless basis, the aggregate amount of cash we would receive from the exercise of the Warrants will decrease. We will not receive any proceeds from the sale of the Common Shares obtained upon the exercise of the Warrants by the holders thereof.

We will generally bear all costs, expenses and fees in connection with the registration of the Common Shares being offered pursuant to this prospectus, including with regard to compliance with state securities or “blue sky” laws. The holders of the Warrants will bear all commissions and discounts, if any, attributable to their sale of Common Shares. See “Use of Proceeds” and “Plan of Distribution.”

Our Common Shares and certain of our Warrants (the “Public Warrants”) are listed on the Nasdaq Global Market (“Nasdaq”) under the trading symbols “WEST” and “WESTW,” respectively. On [•], 2023, the last reported sale price of our Common Shares on the Nasdaq was \$[•] per share and the last reported sale price of our Public Warrants on the Nasdaq was \$[•] per warrant.

We are an “emerging growth company” under federal securities laws and are subject to reduced public company reporting requirements.

Investing in our securities involves a high degree of risk. See the “Risk Factors” section beginning on page 3 of this prospectus, in any applicable prospectus supplement and in our filings with the U.S. Securities and Exchange Commission (“SEC”) that are incorporated by reference herein.

Neither the SEC nor any state securities commission has approved or disapproved of these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

The date of this prospectus is , 2023.

RISK FACTORS

Our business and investing in our securities involve a high degree of risk. You should carefully consider the risks described under the section titled “Risk Factors” contained in any applicable prospectus supplement and any related free writing prospectus, and discussed under the section titled “Risk Factors” contained in our most recent Annual Report on Form 10-K and in our most recent Quarterly Report on Form 10-Q, as well as any amendments thereto reflected in subsequent filings with the SEC, which are incorporated by reference into this prospectus in their entirety, together with other information in this prospectus, the documents incorporated by reference and any free writing prospectus that we may authorize for use in connection this offering. The risks identified in these SEC filings could have a material and adverse impact on our business, prospects, results of operations, financial condition and cash flows. If any such events were to happen, the trading price of our Common Shares could decline, and you could lose all or part of your investment. Please also read carefully the section below titled “Cautionary Note Regarding Forward-Looking Statements.”

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the documents we have filed with the SEC that are incorporated by reference contain “forward-looking statements” within the meaning of Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In addition, any statements that refer to projections, forecasts, or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking statements. The words “anticipate,” “believe,” “could,” “estimate,” “expect,” “intend,” “may,” “might,” “plan,” “possible,” “potential,” “predict,” “project,” “would,” and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to significant risks and uncertainties. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and we assume no obligation and do not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.

There are or will be important factors that could cause our actual results to differ materially from those indicated in these forward-looking statements, including, but not limited to, the following:

- our limited operating history;
- the fact that we have incurred net losses in the past, may incur net losses in the future, and may not achieve profitability;
- risks associated with operating a coffee trading business and a coffee-exporting business;
- the volatility and increases in the cost of green coffee, tea and other ingredients and packaging, and our inability to pass these costs on to customers;
- our inability to secure an adequate supply of key raw materials, including green coffee and tea, or disruption in our supply chain;
- deterioration in general macroeconomic conditions;
- disruption in operations at any of our production and distribution facilities;
- climate change, which may increase commodity costs, damage our facilities and disrupt our production capabilities and supply chain;
- failure to retain key personnel or recruit qualified personnel;
- our inability to hedge commodity risks;
- consolidation among our distributors and customers or the loss of any key customer;
- complex and evolving U.S. and international laws and regulations, and noncompliance therewith subjecting us to criminal or civil liability;
- future acquisitions of businesses, which may divert our management’s attention, prove difficult to effectively integrate and fail to achieve their projected benefits;
- our inability to effectively manage the growth and increased complexity of our business;
- our inability to maintain or grow market share through continued differentiation of our product and competitive pricing;
- our inability to secure the additional capital needed to operate and grow our business;
- future litigation or legal disputes, which could lead us to incur significant liabilities and costs or harm our reputation;
- a material failure, inadequacy or interruption of our information technology systems;
- the unauthorized access, theft, use or destruction of personal, financial or other confidential information relating to our customers, suppliers, employees or business;

- our future level of indebtedness, which may reduce funds available for other business purposes and reduce our operational flexibility;
- our inability to comply with the financial covenants in our credit agreement;
- our inability to complete the construction of our new facility in Conway, Arkansas within the anticipated timeframe or incurring additional expenses in the process;
- our corporate structure and organization;
- the fact that our largest shareholders (and certain members of our management team) own a significant percentage of our stock and will be able to exert significant control over matters subject to shareholder approval;
- the impact of current global economic conditions, including those caused by economic slowdowns or recessions, changes in political, economic or industry conditions, global conflicts (including the ongoing military conflict between Russia and Ukraine and recent conflicts in Brazil), inflation, the interest rate environment, U.S. government shutdowns, downgrades to the U.S. government's sovereign credit rating or other conditions affecting the global financial and capital markets, and epidemic, pandemic or other health issues;
- the possible resurgence of Covid-19 and emergence of new variants of the virus; and
- other risks and uncertainties, including those indicated from time to time in filings made with the SEC.

The foregoing factors should not be construed as exhaustive and should be read together with the other cautionary statements included in this prospectus. If one or more events related to these or other risks or uncertainties materialize, or if our underlying assumptions prove to be incorrect, actual results may differ materially from what we anticipate. Many of the important factors that will determine these results are beyond our ability to control or predict. Accordingly, you should not place undue reliance on any such forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made, and, except as otherwise required by law, we do not undertake any obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise. New factors emerge from time to time, and it is not possible for us to predict which will arise. In addition, we cannot assess the impact of each factor on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements.

USE OF PROCEEDS

We will not receive any proceeds from the sale of the Common Shares issuable upon exercise of the Warrants. However, we will receive proceeds from the exercise of the Warrants if such Warrants are exercised for cash. We currently intend to use such proceeds, if any, for working capital and general corporate purposes. The holders of the Warrants are not obligated to exercise their Warrants for cash, and we cannot predict whether holders of the Warrants will choose to exercise all or any of their Warrants for cash.

Common Stock

Voting

Each holder of Common Shares is entitled to one vote for each share on all matters submitted to a vote of the stockholders. Holders of Common Shares vote, as a single class, with holders of Series A Preferred Shares, on an as-converted basis, on all matters submitted to a vote of the stockholders.

Dividends

Subject to preferences that may apply to any outstanding Preferred Shares, including the Series A Preferred Shares, holders of Common Shares are entitled to receive ratably any dividends that our board of directors may declare out of funds legally available for that purpose on a non-cumulative basis.

Liquidation or Dissolution

In the event of our liquidation, dissolution or winding up, holders of Common Shares are entitled to share ratably in all assets remaining after payment of liabilities and the liquidation preference of any outstanding shares of preferred stock, including the Series A Preferred Shares.

Conversion and Exchange

The Common Shares are not subject to any conversion or exchange rights.

Other Provisions

Other than preemptive rights granted to certain affiliates of Brown Brothers Harriman & Co. (the “BBH Investors”) under the terms of our investor rights agreement, holders of Common Shares have no preemptive or subscription rights. See the section titled “Investor Rights Agreement” for more information. There are no redemption or sinking fund provisions applicable to Common Shares. All outstanding Common Shares are fully paid and non-assessable. The rights, preferences and privileges of the holders of the Common Shares are subject to, and may be adversely affected by, the rights of the holders of the Series A Preferred Shares and shares of any other series of Preferred Shares that we may designate and issue in the future.

Preferred Stock

Under the terms of our certificate of incorporation, our board of directors is authorized, subject to limitations prescribed by the DGCL and by our certificate of incorporation, to issue up to 24,000,000 Series A Preferred Shares and up to 26,000,000 Preferred Shares in one or more other series without further action by the holders of Common Shares. Our board of directors has the discretion, subject to limitations

prescribed by the DGCL, our certificate of incorporation and our investor rights agreement, to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, of each series of preferred stock. The rights, preferences, privileges and restrictions of the Series A Preferred Shares are described below.

Series A Preferred Shares

Maturity

Subject to the redemption and conversion rights described below, the Series A Preferred Shares are perpetual securities.

Priority

The Series A Preferred Shares rank, with respect to dividend rights and/or distribution rights upon the liquidation, winding up or dissolution, as applicable, of Westrock: (i) senior to the Common Shares and each other class or series of capital stock of Westrock, the terms of which do not expressly provide that such class or series ranks senior or on parity to the Series A Preferred Shares as to dividend rights or distribution rights upon Westrock's liquidation, winding up or dissolution (such stock, "Junior Stock"); (ii) on parity with any class or series of capital stock of Westrock, the terms of which expressly provide that such class or series ranks on parity with the Series A Preferred Shares as to dividend rights and distribution rights upon Westrock's liquidation, winding-up or dissolution (such stock, "Parity Stock"); and (iii) junior to each class or series of any class or series of capital stock of Westrock, the terms of which expressly provide that such class or series ranks senior to the Series A Preferred Shares as to dividend rights or distribution rights upon Westrock's liquidation, winding-up or dissolution ("Senior Stock").

Voting

Each holder of the Series A Preferred Shares is entitled to vote, on an as-converted basis, as a single class with the holders of Common Shares and the holders of any other class or series of capital stock of Westrock then entitled to vote with the Common Shares on all matters submitted to a vote of the holders of Common Shares.

Consent Rights

So long as any Series A Preferred Shares are outstanding, Westrock may not, without the affirmative vote or consent of the holders of record of at least a majority in voting power of the Series A Preferred Shares, voting together as a single, separate class: (a) amend, alter or repeal any provision of the certificate of incorporation, the by-laws or any other such organizational document of Westrock that would adversely affect the rights, preferences, privileges, voting power or special rights of the Series A Preferred Shares, (b) amend, alter, or supplement the certificate of incorporation, the by-laws or any other such organizational document of Westrock or any provision thereof, or take any other action to authorize or create, or increase the number of authorized or issued shares of, or any securities convertible into shares of, or reclassify any security into, or issue, any class or series of Senior Stock or Parity Stock, including with respect to dividend rights or rights upon Westrock's liquidation, winding-up or dissolution, (c) increase or decrease the authorized number of the Series A Preferred Shares or issue Series A Preferred Shares, Parity Stock or Senior Stock and (d) for so long as the BBH Investors and their controlled affiliates own at least sixty percent (60%) of the Series A Preferred Shares that the BBH Investors owned on August 26, 2022, consummate any Fundamental Change (as defined below) in which the holders of the Series A Preferred Shares would receive less than \$18.50 per share (subject to customary adjustments).

"Fundamental Change" means the consummation of (i) a sale of all or substantially all of the consolidated assets of Westrock (including by way of any reorganization, merger, consolidation or other similar transaction); (ii) a direct or indirect acquisition of beneficial ownership of more than fifty percent (50%) of the voting securities of Westrock by another person or group (other than an equityholder of Westrock immediately prior to the closing of its de-SPAC transaction or its affiliates or any "group" arising out of Westrock's investor rights agreement) by means of any transaction or series of transactions (including any reorganization, merger, consolidation, joint venture, share transfer or other similar transaction); (iii) a

consolidation, merger, reorganization or other form of acquisition of or by Westrock or other transaction in which Westrock's stockholders retain less than fifty percent (50%) of the voting securities of the entity resulting from such transaction (including, without limitation, an entity that, as a result of such transaction, owns Westrock either directly or indirectly through one or more subsidiaries) upon consummation of such transaction; or (iv) the obtaining by any person or group (other than an equityholder of Westrock immediately prior to the closing of its de-SPAC transaction or its affiliates or any "group" arising out of Westrock's investor rights agreement) of the power to elect a majority of the members of Westrock's board of directors.

Dividends

Westrock may, subject to customary restrictions, but is not required to, declare or pay any dividends solely on the Series A Preferred Shares (such dividends, the "Preferred Dividends") on a Dividend Payment Date. "Dividend Payment Date" means March 31, June 30, September 30 and December 31 of each year; provided that, if any such Dividend Payment Date is not a business day, then the applicable dividend shall be payable on the next business day immediately following such Dividend Payment Date, without any interest. The record date for payment of Preferred Dividends will be the close of business on the fifteenth (15th) day of the calendar month that contains the relevant Dividend Payment Date or such other record date fixed by our board of directors (or a duly authorized committee of our board of directors) that is not more than sixty (60) nor less than ten (10) days prior to such Dividend Payment Date.

Holders of the Series A Preferred Shares are entitled to receive ratably any dividends that our board of directors declares and pays on the Common Shares, on an as-converted basis, when paid to holders of Common Shares (the "Participating Dividends"). The record date for each Participating Dividend shall be the same as the record date for the corresponding dividend on the Common Shares.

Subject to customary exceptions, so long as any Series A Preferred Shares remain outstanding, unless (x) full dividends on all outstanding Series A Preferred Shares that have been declared have been paid in full, including, in arrearage, or a sum sufficient for the payment of those dividends has been or is set aside by Westrock, (y) no Escalation Event is ongoing and (z) if any Fundamental Change has occurred, the requirement of obtaining the consent of the holders of a majority of the Series A Preferred Shares (voting as a separate class), if applicable, was satisfied with respect to such Fundamental Change, Westrock may not declare any dividend on, or make any distributions relating to, the Common Shares or any other Junior Stock, or redeem, purchase, acquire or make a liquidation payment relating to, any Junior Stock. "Escalation Event" means (i) any event of default for a failure to make payment when due under the principal credit facility of Westrock or (ii) the failure of Westrock to redeem all Series A Preferred Shares that the holders thereof have elected for redemption.

For so long as any Series A Preferred Shares remain outstanding, if declared dividends are not paid in full upon the Series A Preferred Shares and any Parity Stock, all dividends declared upon the Series A Preferred Shares and any Parity Stock will be declared on a proportional basis so that the amount of dividends declared per share will bear to each other the same ratio that all unpaid dividends as of the end of the most recent dividend payment period per Series A Preferred Share and accrued and unpaid dividends as of the end of the most recent dividend period per share of any Parity Stock bear to each other.

Liquidation or Dissolution

The initial liquidation preference of the Series A Preferred Shares is \$11.50 per share, plus any declared but unpaid dividends and subject to accretion if the PIK Rate (defined below) is in effect. In the event of our liquidation, dissolution or winding up, holders of the Series A Preferred Shares are entitled to receive, per Series A Preferred Share, the greater of (a) the liquidation preference and (b) the amount such holder would have received had they converted their Series A Preferred Shares into Common Shares immediately prior to such liquidation event.

If, upon the voluntary or involuntary liquidation, winding-up or dissolution of Westrock, the assets of Westrock available for distribution to the holders of the Series A Preferred Shares and holders of Parity Stock are insufficient to permit payment in full to such holders of the sums which such holders are entitled to receive in such case, then all of the assets available for distribution to the holders of the Series A Preferred

Shares and holders of the Parity Stock shall be distributed among and paid to such holders, ratably in proportion to the respective amounts that would be payable to such holders if such assets were sufficient to permit payment in full.

Conversion, Transferability and Exchange

Holders of Series A Preferred Shares may voluntarily convert their Series A Preferred Shares into a whole number of Common Shares at any time at a rate equal to the quotient of (a) the liquidation preference as of the applicable conversion date, divided by (b) the conversion price as of the applicable conversion date, which is currently \$11.50 per Series A Preferred Share, plus cash in lieu of fractional shares. The initial conversion price of \$11.50 per Series A Preferred Share is subject to customary adjustments for the issuance of Common Shares as a dividend or distribution to the holders of Common Shares, a subdivision or combination of the Common Shares, reclassification of the Common Shares into a greater or lesser number of Common Shares, certain tender or exchange offers for the Common Shares, and issuances of Common Shares below a specified price.

Subject to the rights described under “*Fundamental Change*” below, in the event of specified extraordinary transactions, as a result of which Common Shares would be converted into, or exchanged for, stock, other securities or other property or assets (including cash or any combination thereof), each Series A Preferred Share outstanding immediately prior to such event will, without the consent of the holders of the Series A Preferred Shares, become convertible into the kind of stock, other securities or other property or assets that such holder would have been entitled to receive if such holder had converted its Series A Preferred Shares into Common Shares immediately prior to such event.

Other than as described above and under “*Fundamental Change*” below, the Series A Preferred Shares are not convertible at the option of Westrock.

Fundamental Change

For so long as the BBH Investor and its controlled affiliates own at least sixty percent (60%) of the Series A Preferred Shares that the BBH Investor owned as of August 26, 2022, the consummation of any Fundamental Change in which the holders of Series A Preferred Shares would receive less than the \$18.50 per share (subject to customary adjustments) requires the consent of holders of a majority of the Series A Preferred Shares.

In a Fundamental Change in which the consent of holders of a majority of the Series A Preferred Shares as a separate class is required, the holders of the Series A Preferred Shares will be entitled to receive the greater of (i) the liquidation preference of the Series A Preferred Shares and (ii) the amount such holder would have received had they converted the Series A Preferred Shares into Common Shares immediately prior to such Fundamental Change. In connection with a Fundamental Change in which the consent of holders of a majority of the Series A Preferred Shares as a separate class is not required, the holders of the Series A Preferred Shares will be entitled to receive the greater of (i) \$18.50 per Series A Preferred Share (subject to customary adjustments) and (ii) the amount such holder would have received had they converted their Series A Preferred Shares into Common Shares immediately prior to such Fundamental Change.

Westrock is required to pay the above redemption price in cash, provided that, if all or any portion of the consideration delivered to holders of Common Shares in such Fundamental Change consists of securities, Westrock (or its successor) may pay a portion of equal proportion, but only of equal portion, of the redemption in Qualifying Stock, with the fair market value of such Qualifying Stock (as defined below) being determined by our board of directors in good faith using reasonable methodologies. “Qualifying Stock” means securities of Westrock or the acquiring, surviving or resulting entity in such Fundamental Change or the entity controlling any such entity that has voting powers, preferences, privileges and special rights identical to the rights of the Series A Preferred Shares except for such differences that if made to the Series A Preferred Shares would not require the consent of holders of the Series A Preferred Shares voting as a separate class and that is listed on a nationally recognized stock exchange.

Redemption

After February 26, 2028, any holder of Series A Preferred Shares may require Westrock to redeem all or any whole number of such holder’s Series A Preferred Shares in cash, subject to applicable law and the

terms of any credit agreement or similar arrangement pursuant to which a third-party lender provides debt financing to Westrock or its subsidiaries, at a redemption price per share equal to the greater of (a) the liquidation preference and (b) the product of (i) the number of Common Shares that would have been obtained from converting one Series A Preferred Share on the redemption notice date and (ii) the simple average of the daily volume-weighted average price per Common Share for the ten (10) trading days ending on and including the trading day immediately preceding the redemption notice date.

A holder may exercise its right to redeem the Series A Preferred Shares by delivering a written notice to Westrock, which notice must certify (x) such holder's address, (y) the number of Series A Preferred Shares held by such holder and the number of Series A Preferred Shares that such holder has elected to have redeemed and (z) the holder's desired date of redemption, which must be a business day that is no earlier than thirty (30) days and no later than sixty (60) days from the date such notice is sent if such notice is sent prior to February 26, 2028 and no earlier than sixty (60) days and no later than ninety (90) days otherwise, or such later date as may be required to comply with the requirements of applicable law.

To the extent any redemption is prohibited to be in cash, the liquidation preference on each unredeemed Series A Preferred Share will start accruing daily at a rate of ten percent per annum (the "PIK Rate"). In such case, any holder of Series A Preferred Shares may thereafter put any outstanding Series A Preferred Shares to Westrock only on August 26 of the applicable year, on the above terms, with the PIK Rate increasing by two percent with respect to unredeemed Series A Preferred Shares on each occasion that Westrock cannot satisfy the redemption entirely in cash.

After February 26, 2028, Westrock may redeem, ratably, in whole or, from time to time in part, the Preferred Shares of any holder then outstanding at a redemption price in cash, equal to the greater of (i) the liquidation preference and (ii) the product of (x) the number of Common Shares that would have been obtained from converting one Series A Preferred Share on the date Westrock notifies holders of the call (including fractional shares for this purpose) and (y) the simple average of the daily volume weighted average price per Common Share for the ten trading days ending on and including the trading day immediately preceding the date of the exercise of such call by Westrock. The redemption price for the Series A Preferred Shares held by the BBH Investors may not be less than the \$18.50 per Series A Preferred Share (subject to adjustments); provided that Westrock may redeem such shares in such a case if it pays an incremental price per share on the redemption date to the BBH Investors equal to the difference between \$18.50 (subject to adjustments) and the redemption price otherwise.

Westrock may exercise its right to redeem the Series A Preferred Shares by delivering a written notice to all of the holders, which notice must, among other things, state the date on which the redemption shall occur, which date shall be no earlier than thirty (30) days and no later than sixty (60) days from the redemption notice date, the number of Series A Preferred Shares to be redeemed and, if fewer than all the shares of a holder are to be redeemed, the number of such Series A Preferred Shares to be redeemed, and redemption price to be paid on the redemption date.

Sinking Fund

The Series A Preferred Shares are not subject to or entitled to the operation of a retirement or sinking fund.

Other Provisions

The BBH Investors have additional rights and obligations with respect to their Series A Preferred Shares under our investor rights agreement. See the section titled "*Investor Rights Agreement*."

Anti-Takeover Effects of Various Provisions of Delaware Law, Our Certificate of Incorporation and Our Bylaws

Provisions of the DGCL and our certificate of incorporation and bylaws could make it more difficult to acquire Westrock by means of a tender offer, a proxy contest or otherwise, or to remove incumbent officers and directors. These provisions, which are summarized below, may discourage certain types of coercive takeover practices and takeover bids that our board of directors may consider inadequate and to encourage

persons seeking to acquire control of Westrock to first negotiate with our board of directors. Westrock believes that the benefits of increased protection of its ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure it outweigh the disadvantages of discouraging takeover or acquisition proposals because, among other things, negotiation of these proposals could result in an improvement of their terms.

Delaware Anti-Takeover Statute

As a Delaware corporation, Westrock is subject to Section 203 of the DGCL regarding corporate takeovers. In general, Section 203 of the DGCL prohibits a publicly held Delaware corporation from engaging in a “business combination” with an “interested stockholder” for a period of three years following the time the person became an interested stockholder, unless:

- prior to the date of the transaction, the board of directors of such corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;
- upon completion of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time such transaction commenced, excluding, for purposes of determining the number of shares outstanding, (a) shares owned by persons who are directors and also officers of the corporation and (b) shares owned by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- on or subsequent to such time the business combination is approved by the board of directors of such corporation and authorized at a meeting of stockholders by the affirmative vote of at least two-thirds of the outstanding voting stock of such corporation not owned by the interested stockholder.

In this context, a “business combination” includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. An “interested stockholder” is a person who, together with affiliates and associates, owns or, within three years prior to the determination of interested stockholder status owned, 15% or more of a corporation’s outstanding voting stock. The existence of this provision would be expected to have an anti-takeover effect with respect to transactions not approved in advance by our board of directors, including discouraging attempts that might result in a premium over the market price for the Common Shares held by our stockholders.

A Delaware corporation may “opt out” of Section 203 with an express provision in its original certificate of incorporation or an express provision in its certificate of incorporation or bylaws resulting from amendments approved by holders of at least a majority of the corporation’s outstanding voting shares. We have not elected to “opt out” of Section 203. However, following this offering and subject to compliance with Delaware law, our organizational documents and any contractual restrictions, we could subsequently elect to “opt out” of Section 203 by such an amendment to our certificate of incorporation or bylaws.

Classified Board

Our certificate of incorporation and bylaws currently provide that our board of directors is divided into three classes, with Class III consisting of four directors and Classes I and II consisting of three directors. As of the date of this prospectus, the directors designated as Class I directors have terms expiring at the annual meeting of stockholders that we expect to hold in 2026. The directors designated as Class II directors have terms expiring at the annual meeting of stockholders that we expect to hold in 2024. The directors designated as Class III directors have terms expiring at the annual meeting of stockholders that we expect to hold in 2025. At each annual meeting through (and including) the 2025 annual meeting of stockholders, directors for each class will be elected for a term of three years. Under the classified board provisions, it may take two elections of directors for any individual or group to gain control of our board of directors. Accordingly, these provisions could discourage a third party from initiating a proxy contest, making a tender offer or otherwise attempting to gain control of Westrock. Beginning at the first annual meeting of stockholders in 2026, the directors whose terms expire at such annual meeting and any subsequent annual

meeting will be elected to hold office for a one-year term expiring at the next annual meeting of stockholders and until such director's successor shall have been elected and qualified. The board of directors will be fully declassified following the annual meeting in 2028 with all directors standing for election for one-year terms.

At any meeting of stockholders for the election of directors at which a quorum is present, the election will be determined by a majority of the total voting power of shares of capital stock of Westrock present in person or represented by proxy at the meeting and entitled to vote on the matter, except that if the number of nominees exceeds the number of directors to be elected, the directors shall be elected by the vote of a plurality of the total voting power of shares of capital stock of Westrock present in person or represented by proxy at any such meeting.

Removal of Directors

Directors may be removed only for cause by the affirmative vote of the majority of the votes cast by the holders of shares entitled to vote for the election of directors; provided that once the directors are in a class that is elected for a one-year term, such director may be removed with or without cause.

Amendments to Certificate of Incorporation and Bylaws

Our certificate of incorporation provides that it may be amended or altered in any manner provided by the DGCL, provided that specified amendments will require the affirmative vote or consent of the holders of at least a majority of the shares of Series A Preferred Shares outstanding at such time, voting together as a separate class. See the section titled "*— Series A Preferred Shares — Consent Rights*" above. Our bylaws may be adopted, amended, altered or repealed by stockholders upon the approval of a majority of the voting power of all of the then-outstanding shares of stock entitled to vote at an election of directors, provided that specified amendments will require the affirmative vote or consent of the holders of at least a majority of the Series A Preferred Shares outstanding at such time, voting together as a separate class. See the section titled "*— Series A Preferred Shares — Consent Rights*" above. Additionally, subject to the rights of the Series A Preferred Shares, our certificate of incorporation and bylaws provide that our bylaws may be adopted, amended, altered or repealed by the board of directors.

Size of Board and Vacancies

Our certificate of incorporation and our bylaws provide that the number of directors on our board of directors is fixed exclusively by our board of directors. Our board currently consists of ten (10) directors, provided that, if certain affiliates of HF Capital, LLC exercise their director designation rights, we are required to increase the size of our board to eleven (11) directors, and otherwise, any increase or decrease to the size of the board requires the consent of certain investors specified in our investor rights agreement. Subject to the rights of certain investors specified in our investor rights agreement, any vacancies on our board of directors resulting from any increase in the authorized number of directors or the death, resignation, retirement, disqualification, removal from office or other cause will be filled by a majority of the board of directors then in office, whether or not less than a quorum. Subject to the rights of certain investors specified in our investor rights agreement, our certificate of incorporation and our bylaws provide that any director appointed to fill a vacancy on our board of directors will hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class to which he or she has been appointed expires and until such director's successor shall have been duly elected and qualified. See the section titled "*Investor Rights Agreement*."

Special Stockholder Meetings

Our bylaws provide that only the chairman of the board of directors, the chief executive officer or an officer at the request of a majority of the members of the board of directors pursuant to a resolution approved by the board of directors may call special meetings of Westrock stockholders, and stockholders may not call special stockholder meetings.

Stockholder Action by Written Consent

Stockholder action must take place at the annual or a special meeting of Westrock stockholders, provided that holders of the Series A Preferred Shares may take action or consent to any action with respect

to the matters described under the section titled “— *Series A Preferred Shares — Consent Rights*” above without a meeting by delivering a consent in writing or by electronic transmission of the holders of the Series A Preferred Shares entitled to cast not less than the minimum number of votes that would be necessary to authorize, take or consent to such action at a meeting of stockholders.

Requirements for Advance Notification of Stockholder Nominations and Proposals

Our bylaws contain advance notice procedures with respect to stockholder proposals and nomination of candidates for election as directors, as well as minimum qualification requirements for stockholders making the proposals or nominations. Additionally, our bylaws require that candidates nominated by stockholders for election as a director disclose their qualifications and make customary representations, including that (a) they are not a party to any undisclosed voting commitment, any voting commitment that could interfere with their ability to fulfill their fiduciary duties as a director of Westrock, should they be elected, or any undisclosed agreement pursuant to which they would receive compensation, reimbursement or indemnification in connection with their service as a director of Westrock, (b) they will be in compliance, should they be elected, with Westrock’s corporate governance guidelines and the Westrock’s conflict of interest, confidentiality and stock ownership and trading policies and (c) they will abide by the procedures for the election of directors in our bylaws.

No Cumulative Voting

The DGCL provides that stockholders will not have the right to cumulate votes in the election of directors unless the Company’s certificate of incorporation provides otherwise. Our certificate of incorporation does not provide for cumulative voting.

Undesignated Preferred Stock

The authority that our board of directors possesses to issue Preferred Shares could potentially be used to discourage attempts by third parties to obtain control of Westrock through a merger, tender offer, proxy contest or otherwise by making such attempts more difficult or more costly. Our board of directors may be able to issue Preferred Shares with voting rights or conversion rights that, if exercised, could adversely affect the voting power of the holders of the Common Shares.

Terms of the Preferred Shares

There are terms of the Series A Preferred Shares that may discourage attempts by third parties to obtain control of Westrock through a merger, tender offer, proxy contest or otherwise by making such attempts more difficult or more costly. These include: (i) the rights of the holders of Series A Preferred Shares to vote as a separate class with respect to amendments to the certificate of incorporation and bylaws of Westrock that would adversely affect the rights, preferences, privileges, voting power or special rights of the Series A Preferred Shares and, for so long as the BBH Investors and their controlled affiliates own at least sixty percent (60%) of the Series A Preferred Shares that the BBH Investors owned on August 26, 2022, any Fundamental Change in which the holders of the Series A Preferred Shares would receive less than \$18.50 per share (subject to adjustment), and (ii) the rights of the Series A Preferred Shares in a Fundamental Change to receive at least a specified amount. See the section titled “— *Preferred Stock*” above for more information.

Limitations on Liability, Indemnification of Officers and Directors, and Insurance

Elimination of Liability of Directors and Officers

The DGCL authorizes corporations to limit or eliminate the personal liability of directors and certain officers to corporations and their stockholders for monetary damages for breaches of directors’ fiduciary duties as directors or officers, as applicable, except for liability (1) for any breach of the director’s or officer’s duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) for a director under Section 174 of the DGCL (regarding, among other things, the payment of unlawful dividends or unlawful stock purchases or redemptions), (4) for any transaction from which the director derived an improper personal benefit, or

(5) for an officer, in any action by or in right of the corporation. Our certificate of incorporation provides that, to the fullest extent permitted by the DGCL, no director or officer will be personally liable to us or to our stockholders for monetary damages for breach of fiduciary duty as a director or officer, as applicable. While our certificate of incorporation provides directors and officers with protection from awards for monetary damages for breaches of their duty of care, it does not eliminate this duty. Accordingly, our certificate of incorporation has no effect on the availability of equitable remedies such as an injunction or rescission based on a director's breach of his or her duty of care.

Indemnification of Directors, Officers and Employees

Our certificate of incorporation and our bylaws require us to indemnify any person who was or is a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding by reason of the fact that he or she is or was a director or officer of Westrock, or is or was serving at the request of Westrock as a director, officer, trustee, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by Westrock, against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) incurred or suffered by such person in connection with such proceeding if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of Westrock and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

We are authorized under our bylaws to purchase and maintain insurance to protect Westrock and any current or former director, officer, employee or agent of Westrock or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not Westrock would have the power to indemnify such person against such expense, liability or loss under the DGCL.

We have entered into indemnification agreements with each of our directors and officers. The indemnification agreements provide that we will indemnify each indemnitee to the fullest extent permitted by the DGCL from and against all loss and liability suffered and expenses, judgments, fines and amounts paid in settlement incurred in connection with defending, investigating or settling any threatened, pending, or completed action, suit or proceeding related to the indemnitee's service with the Company. Additionally, we have agreed to advance to the indemnitee expenses incurred in connection therewith.

The limitation of liability and indemnification provisions in these indemnification agreements and our certificate of incorporation and bylaws may discourage stockholders from bringing a lawsuit against our directors and covered officers for breach of fiduciary duty. These provisions also may reduce the likelihood of derivative litigation against our directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In addition, your investment in our securities may be adversely affected to the extent we pay the costs of settlement and damage awards under these indemnification provisions.

Exclusive Forum

Our certificate of incorporation provides that, unless the Westrock board of directors consents in writing to the selection of an alternative forum, the Delaware Court of Chancery or, if the Delaware Court of Chancery declines to accept jurisdiction, any state or federal court within the District of Delaware, will be the sole and exclusive forum for any derivative action or proceeding brought on our behalf, any action asserting a claim for or based on a breach of a fiduciary duty owed by any of our current or former directors or officers or other employee to us or our stockholders, including a claim alleging the aiding and abetting of such a breach of fiduciary duty, any action asserting a claim against us or any of our current or former directors or officers or other employees arising pursuant to any provision of the DGCL or our certificate of incorporation or bylaws, or any action asserting a claim related to or involving us that is governed by the internal affairs doctrine under Delaware law and any action asserting an "internal corporate claim" as that term is defined in Section 115 of the DGCL. Section 27 of the Exchange Act provides that the district courts of the United States shall have exclusive jurisdiction of violations of the Exchange Act or the rules and regulations thereunder, and of all suits in equity and actions at law brought to enforce any liability or duty created by the Exchange Act or the rules and regulations thereunder. As a result, this forum selection provision

will not apply to actions arising under the Exchange Act or the rules and regulations thereunder. This forum selection provision will also not apply to any other claim for which the federal courts have exclusive jurisdiction. In addition, Westrock's certificate of incorporation provides that, unless we consent in writing to the selection of an alternative forum, the federal district courts of the United States of America shall, to the fullest extent permitted by law, be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act, or the rules and regulations promulgated thereunder. There is uncertainty as to whether a court would enforce this provision with respect to claims under the Securities Act, and our stockholders cannot waive compliance with the federal securities laws and the rules and regulations thereunder.

Corporate Opportunity Waiver

Our certificate of incorporation provides that Westrock waives, to the maximum extent permitted by law, the application of the doctrine of corporate opportunity, or any other analogous doctrine, with respect to Westrock, any non-employee directors or stockholders or any of their respective affiliates. Without limiting the foregoing, Westrock will renounce, to the fullest extent permitted by law, any interest or expectancy of Westrock, its stockholders and any of their respective affiliates in, or in being notified of or offered an opportunity to participate in, any Excluded Opportunity. An "Excluded Opportunity" is any matter, transaction or interest that is presented to, or acquired, created or developed by, or which otherwise comes into the possession of (i) any director of Westrock who is not an employee of Westrock or any of its subsidiaries or (ii) any such director's affiliates, partners, or other representatives (each of the foregoing, a "Covered Person"), unless such matter, transaction or interest is expressly offered to such director solely in his or her capacity as a director of Westrock. No Covered Person shall have any duty to communicate or offer an Excluded Opportunity to Westrock or any of its affiliates or stockholders, and no Covered Person shall have any liability to Westrock, any of its affiliates or stockholders for breach of any duty, as a director or otherwise, by reason of the fact that such Covered Person pursues or acquires an Excluded Opportunity, directs an Excluded Opportunity to another person or fails to present an Excluded Opportunity, or information regarding an Excluded Opportunity, to Westrock or any of its affiliates or stockholders.

Authorized but Unissued Shares

Our authorized but unissued shares of Common Shares and Preferred Shares will be available for future issuance without your approval. We may use additional shares for a variety of purposes, including future public offerings to raise additional capital, to fund acquisitions and as employee compensation. The existence of authorized but unissued shares of Common Shares and Preferred Shares could render more difficult or discourage an attempt to obtain control of Westrock by means of a proxy contest, tender offer, merger or otherwise.

Registration Rights

Certain of our stockholders have demand and piggy-back registration rights under the terms of our registration rights agreement, dated April 4, 2022.

Transfer Agent and Warrant Agent

The transfer agent and registrar for the Common Shares and Series A Preferred Shares is Computershare Trust Company, N.A.

Listing of Common Shares and Series A Preferred Shares

The Common Shares are listed on the Nasdaq under the symbol "WEST". The Series A Preferred Shares are not currently listed on any stock exchange, automated quotation system or other market and we do not currently intend to list the Series A Preferred Shares on any stock exchange, automated quotation system or other market.

DESCRIPTION OF WARRANTS

The following description summarizes certain important terms of our existing warrants and our warrant agreement. This description is not complete and is qualified by reference to the full text of our warrant agreement, which is included as Exhibit 4.3 to the registration statement of which this prospectus is a part.

Our existing outstanding warrants consist of the Public Warrants, which are listed on Nasdaq, and private placement warrants (the “Private Placement Warrants”), which represent warrants that were initially issued by Riverview Acquisition Corp. in private placement transactions and became warrants of Westrock as a result of our de-SPAC transaction with Riverview Acquisition Corp.

As of October 2, 2023, Westrock had approximately 19,144,120 Warrants issued and outstanding.

Public Warrants

Each whole Public Warrant entitles the registered holder to purchase one Common Share at a price of \$11.50 per share, subject to adjustment as discussed below, provided that Westrock has an effective registration statement under the Securities Act covering the Common Shares issuable upon exercise of the Public Warrants and a current prospectus relating to them is available (or Westrock permits holders to exercise their Public Warrants on a cashless basis under the circumstances specified in the warrant agreement) and such shares are registered, qualified or exempt from registration under the securities, or blue sky, laws of the state of residence of the holder. The Public Warrants will expire on August 26, 2027 at 5:00 p.m., New York City time, or earlier upon redemption or liquidation.

Westrock is not obligated to deliver any Common Shares pursuant to the exercise for cash of a Public Warrant and has no obligation to settle such Public Warrant exercise unless a registration statement under the Securities Act with respect to the Common Shares underlying the Public Warrants is then effective and a prospectus relating thereto is current, subject to Westrock satisfying its obligations described below with respect to registration, or a valid exemption from registration is available. No Public Warrant is exercisable and Westrock is not obligated to issue a Common Share upon exercise of a Public Warrant unless the Common Shares issuable upon such warrant exercise have been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the registered holder of the Public Warrants. In the event that the conditions in the two immediately preceding sentences are not satisfied with respect to a Public Warrant, the holder of such Public Warrant will not be entitled to exercise such Public Warrant and such Public Warrant may have no value and expire worthless. In no event will Westrock be required to net cash settle any Public Warrant.

Westrock has filed a registration statement on Form S-1 (File No.: 333-267509) under the Securities Act to register the Common Shares issuable upon exercise of the Public Warrants. Westrock is obligated to use its commercially reasonable efforts to maintain the effectiveness of the registration statement for the registration, under the Securities Act, of the Common Shares issuable upon exercise of the Warrants, and of a current prospectus relating thereto, until the expiration of the Warrants in accordance with the provisions of our existing warrant agreement. Under the terms of our warrant agreement, warrant holders will be permitted during any period when Westrock will have failed to maintain an effective registration statement, to exercise their warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act or another exemption.

In addition, if Common Shares are, at the time of any exercise of a Public Warrant, not listed on a national securities exchange such that they do not satisfy the definition of a “covered security” under Section 18(b)(1) of the Securities Act, Westrock may, at its option, require holders of the Public Warrants who exercise their Public Warrants to do so on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act and, in the event Westrock elects to do so, Westrock will not be required to file or maintain in effect a registration statement, but Westrock will use its best efforts to register or qualify the shares under applicable blue sky laws to the extent an exemption is not available. In such event, each holder would pay the exercise price by surrendering each such Public Warrant for that number of Common Shares equal to the quotient obtained by dividing (x) the product of the number of Common Shares underlying the Public Warrants, multiplied by the excess of the fair market value of the Common Shares over the exercise price of the Public Warrants by (y) the fair market value of the Common Shares. Under the warrant agreement,

the fair market value of the Common Shares means average reported last sale price of the Common Shares for the ten (10) trading days ending on the third trading day prior to the date on which the notice of redemption is sent to the holders of Public Warrants.

Redemption. Westrock may redeem not less than all of the outstanding Public Warrants:

- in whole and not in part;
- at a price of \$0.01 per Warrant;
- upon not less than 30 days' prior written notice of redemption to each Warrant holder; and
- if, and only if, the reported last sale price of the Common Shares for any 20 trading days within a 30-trading day period ending three business days before Westrock sends the notice of redemption to the warrant holders equals or exceeds \$18.00 per share.

If and when the Public Warrants become redeemable by Westrock, Westrock may exercise its redemption right even if Westrock is unable to register or qualify the underlying securities for sale under all applicable state securities laws.

If the foregoing conditions are satisfied and Westrock issues a notice of redemption of the Public Warrants, each warrant holder will be entitled to exercise his, her or its Public Warrant prior to the scheduled redemption date. However, the price of the Common Shares may fall below the \$18.00 redemption trigger price as well as the \$11.50 (for whole shares) Public Warrant exercise price after the redemption notice is issued.

If we call the Public Warrants for redemption as described above, Westrock's management will have the option to require any holder that wishes to exercise its Public Warrant to do so on a "cashless basis." If Westrock's management takes advantage of this option, all holders of Public Warrants would pay the exercise price by surrendering their Public Warrants for that number of Common Shares equal to the quotient obtained by dividing (x) the product of the number of Common Shares underlying the Public Warrants, multiplied by the excess of the fair market value of the Common Shares (as defined above) over the exercise price of the Public Warrants by (y) the fair market value of the Common Shares.

A holder of a Public Warrant may notify Westrock in writing in the event it elects to be subject to a requirement that such holder will not have the right to exercise such Public Warrant, to the extent that after giving effect to such exercise, such person (together with such person's affiliates), to the warrant agent's actual knowledge, would beneficially own in excess of 9.8% (or such other amount as a holder may specify) of the Common Shares outstanding immediately after giving effect to such exercise.

Anti-dilution Adjustments. If the number of outstanding Common Shares is increased by a stock dividend payable in Common Shares, or by a split-up of shares of Common Shares or other similar event, then, on the effective date of such stock dividend, split-up or similar event, the number of Common Shares issuable on exercise of each Public Warrant will be increased in proportion to such increase in the outstanding Common Shares. A rights offering to holders of Common Shares entitling holders to purchase Common Shares at a price less than the fair market value (as defined above) will be deemed a stock dividend of a number of Common Shares equal to the product of (i) the number of Common Shares actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for Common Shares) and (ii) one minus the quotient of (x) the price per Common Share paid in such rights offering and (y) the fair market value. For these purposes, (i) if the rights offering is for securities convertible into or exercisable for Common Shares, in determining the price payable for Common Shares, there will be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) "fair market value" means the volume-weighted average price of Common Shares as reported during the ten (10)-trading-day period ending on the trading day prior to the first date on which the Common Shares trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights.

In addition, if we, at any time while the Public Warrants are outstanding and unexpired, pay a dividend or make a distribution in cash, securities or other assets to the holders of Common Shares on account of such Common Shares (or other securities into which the Public Warrants are convertible), other

than (a) as described above or (b) specified ordinary cash dividends, then the Public Warrant exercise price will be decreased, effective immediately after the effective date of such event, by the amount of cash and/or the fair market value of any securities or other assets paid on each Common Share in respect of such event.

If the number of outstanding Common Shares is decreased by a consolidation, combination, reverse stock split or reclassification of Common Shares or other similar event, then, on the effective date of such consolidation, combination, reverse share split, reclassification or similar event, the number of Common Shares issuable on exercise of each Public Warrant will be decreased in proportion to such decrease in outstanding Common Shares.

Whenever the number of Common Shares purchasable upon the exercise of the Public Warrants is adjusted, as described above, the Public Warrant exercise price will be adjusted by multiplying the Public Warrant exercise price immediately prior to such adjustment by a fraction (x) the numerator of which will be the number of Common Shares purchasable upon the exercise of the Public Warrants immediately prior to such adjustment and (y) the denominator of which will be the number of Common Shares so purchasable immediately thereafter.

In case of any reclassification or reorganization of the outstanding Common Shares (other than those described above or that solely affects the par value of such Common Shares), or in the case of any merger or consolidation of Westrock with or into another corporation (other than a consolidation or merger in which Westrock is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding Common Shares), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of Westrock as an entirety or substantially as an entirety in connection with which Westrock is dissolved, the holders of the Public Warrants will thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Public Warrants and in lieu of the Common Shares immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of Common Shares or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the Public Warrants would have received if such holder had exercised their Public Warrants immediately prior to such event. If less than 70% of the consideration receivable by the holders of Common Shares in such a transaction is payable in the form of Common Shares in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the registered holder of the Public Warrant properly exercises the Public Warrant within thirty days following public disclosure of such transaction, the Public Warrant exercise price will be reduced as specified in our warrant agreement based on the Black-Scholes Warrant Value (as defined in our warrant agreement) of the Public Warrant.

Our warrant agreement provides that the terms of the Public Warrants may be amended without the consent of any holder to cure any ambiguity or correct any defective provision, but requires the approval by the holders of at least 50% of the then-outstanding Public Warrants to make any change that adversely affects the interests of the registered holders of Public Warrants.

The Public Warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of the warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price (or on a cashless basis, if applicable), by certified or official bank check payable to Westrock, for the number of Public Warrants being exercised. The warrant holders do not have the rights or privileges of holders of Common Shares and any voting rights until they exercise their Public Warrants and receive Common Shares.

No fractional shares will be issued upon exercise of the Public Warrants. If, upon exercise of the Public Warrants, a holder would be entitled to receive a fractional interest in a share, Westrock will, upon exercise, round down to the nearest whole number, the number of Common Shares to be issued to the warrant holder.

Private Placement Warrants

The Private Placement Warrants (including the Common Shares issuable upon exercise of the Private Placement Warrants) may not be redeemable by Westrock so long as they are held by Riverview Sponsor

Partners, LLC (“Riverview Sponsor”) or its permitted transferees (except as otherwise set forth herein). Riverview Sponsor, or its permitted transferees, have the option to exercise the Private Placement Warrants on a cashless basis. Except as described below, the Private Placement Warrants have terms and provisions that are identical to those of the Public Warrants. If the Private Placement Warrants are held by holders other than Riverview Sponsor or its permitted transferees, the Private Placement Warrants will be redeemable by Westrock in all redemption scenarios and exercisable by the holders on the same basis as the Public Warrants.

If holders of the Private Placement Warrants elect to exercise them on a cashless basis, they would pay the exercise price by surrendering his, her or its Private Placement Warrants for that number of Common Shares equal to the quotient obtained by dividing (x) the product of the number of Common Shares underlying the Private Placement Warrants, multiplied by the excess of the historical fair market value (defined below) of the Common Shares over the exercise price of the Private Placement Warrants by (y) the fair market value of the Common Shares. For these purposes, the “historical fair market value” shall mean the average last reported sale price of the Common Shares for the 10 trading days ending on the third trading day prior to the date on which the notice of warrant exercise is sent to the warrant agent.

Transfer Agent and Warrant Agent

The warrant agent for our existing warrants is Computershare Inc. and Computershare Trust Company, N.A.

INVESTOR RIGHTS AGREEMENT

The following description summarizes certain important terms of our investor rights agreement. This description is not complete and is qualified by reference to the full text of our investor rights agreement, which is included as Exhibit 4.4 to the registration statement of which this prospectus is a part.

The parties to our investor rights agreement are (i) Westrock Group, LLC (together with certain other entities, the “WCC Investors”), (ii) BBH Capital Partners V, L.P., BBH Capital Partners V-A, L.P., and BBH CPV WCC Co-Investment LLC (as referred to before, the “BBH Investors”), (iii) Riverview Sponsor, and (iv) HF Direct Investments Pool, LLC (“HF Investor”).

Pursuant to our investor rights agreement, the Westrock board of directors will consist of ten directors, provided that if the HF Investor exercises its board designation right, Westrock is required to increase the size of the board to eleven directors. The WCC Investors have the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock (a) up to two directors (of which, so long as the Westrock board of directors is classified, one director will be for Class I and one director will be for Class III) for so long as the initial WCC Investors collectively beneficially own at least 10% of our outstanding stock and (b) up to one director (which such director will be for Class III so long as the Westrock board of directors is classified), so long as the WCC Investors collectively beneficially own at least 5% of our outstanding stock but less than 10% of our outstanding stock. The BBH Investors have the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock (a) up to two directors (of which, so long as the Westrock board of directors is classified, one director will be for Class II and one director will be for Class III) for so long as the BBH Investors collectively beneficially own at least 10% of our outstanding stock and (b) up to one director (which such director will be for Class III so long as the Westrock board of directors is classified), so long as the BBH Investors collectively beneficially own at least 5% of our outstanding stock but less than 10% of our outstanding stock; provided that, such designated directors must satisfy the independence requirements under the Nasdaq listing standards. Riverview Sponsor has the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock (a) two directors (of which, so long as the Westrock board of directors is classified, one director will be for Class I and one director will be for Class II) for so long as Riverview Sponsor, any controlled affiliate of R. Brad Martin and certain investors who invested in the Company by purchasing Riverview Acquisition Corp. shares collectively beneficially own at least 10% of our outstanding stock and (b) one director (of which, so long as the Westrock board of directors is classified, will be for Class I), for so long as Riverview Sponsor, any controlled affiliate of R. Brad Martin and such PIPE Investors collectively beneficially own at least 5% of our outstanding stock but less than 10% of our outstanding stock; provided that, such designated directors must satisfy independence requirements under the Nasdaq listing standards. The remaining directors will be designated for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock by the Nominating and Corporate Governance Committee of the Westrock board of directors and must satisfy independence requirements under the Nasdaq listing standards. Additionally, the HF Investor has the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock up to one director (which such director will be for Class II so long as the Westrock board of directors is classified), so long as the HF Investor beneficially owns at least 5% of our outstanding stock.

If the BBH Investors have the right to nominate at least one director and none of the directors designated by BBH are R. Patrick Kruczek or Matthew Salsbury (the “Specified BBH Individuals”), Westrock is required to appoint one Specified BBH Individual not then serving as a director on the Westrock board of directors as a non-voting observer of the Westrock board of directors.

As noted before, pursuant to our investor rights agreement, the Westrock board of directors will consist of ten directors, provided that, if the HF Investor exercises its board designation right, Westrock is required to increase the size of the board to eleven directors. Any increase or decrease of the size of the Westrock board of directors above or below this specified number will require the consent of each of the WCC Investors, the BBH Investors, Riverview Sponsor and the HF Investor, so long as such investor has the right to designate at least one director. In the event that a vacancy is created at any time by the death, disqualification, resignation, removal or failure to be elected by Westrock’s stockholders (and no other director has been elected by the stockholders of Westrock to fill such vacancy) of a director designated by

the WCC Investors, the BBH Investors, Riverview Sponsor or the HF Investor, the applicable designating party will have the right to designate a replacement to fill such vacancy and the Westrock board of directors will use reasonable best efforts to cause such designee to be promptly appointed to the Westrock board of directors to fill such vacancy, subject to applicable law.

Our investor rights agreement also provides preemptive rights to the BBH Investors. Subject to customary exceptions, for so long as the BBH Investors have the right to designate at least one director, if Westrock proposes to issue any Common Shares or equity interests of Westrock (including any warrants, options or other rights to acquire, or any securities that are exercisable for, exchangeable for or convertible into, Common Shares or any class of security of Westrock) (a) in an unregistered offering to third parties or (b) at an offering price or implied offering price (in each case, prior to any underwriters' discount and any other fees and commissions) for the Common Shares that is less than \$10.00 per share (subject to customary adjustments), the BBH Investors have the right to purchase their pro-rata amount of such equity interests on the same terms and conditions and at the same price as being offered in such offering.

The WCC Investors, the BBH Investors, Riverview Sponsor and the HF Investor are subject to customary standstill restrictions, including that such investors or any controlled affiliate of the controlling persons of such investors cannot, without Westrock's prior written consent, (a) make any public announcement, proposal or offer with respect to, or otherwise solicit, seek or offer to effect (i) any business combination, merger, tender offer, exchange offer, sale of all or substantially all assets or similar transaction, (ii) any restructuring, recapitalization, liquidation or similar transaction involving Westrock or any of its subsidiaries, or (iii) any acquisition of any of Westrock's loans, debt securities, equity securities or assets, or rights or options to acquire interests in any of Westrock's loans, debt securities, equity securities or asset; (b) seek to control or change the management or the board of directors of Westrock; (c) call any special meeting of stockholders of Westrock or engage in any written consent of stockholders regarding the foregoing; (d) publicly disclose any intention, plan or arrangement prohibited by the foregoing or take any action that would or would reasonably be expected to require Westrock to make a public announcement regarding the possibility of a transaction or any of the events described in this paragraph, or (e) contest the validity of the standstill restrictions or make, initiate, take or participate in any demand, action (legal or otherwise) or proposal to amend, waive or terminate any provision of the standstill restrictions. Subject to specified early termination triggers, the standstill restrictions with respect to the WCC Investors, BBH Investors, Riverview Sponsor and the HF Investor automatically terminate on the first day after such investor no longer has the right to designate any directors for nomination pursuant to our investor rights agreement.

Our investor rights agreement also provides that if an Escalation Event is ongoing during the period during which the BBH Investors have the right to designate at least one director pursuant to our investor rights agreement, Westrock may not take specified actions, that would require lender consent under our credit facility, without the consent of the BBH Investors and must provide the BBH Investors with the same information it provides to the lenders under our credit facility and at substantially the same time as it is provided to such lenders.

The BBH Investors and the HF Investor are subject to certain short-sale and hedging restrictions with respect to our securities for so long as they have director designation rights under our investor rights agreement.

Our investor rights agreement also provides that Westrock cannot redeem any Series A Preferred Shares held by the BBH Investors if the redemption price for such shares is less than \$18.50 per share (subject to adjustments), provided that Westrock may redeem such shares in such a case if it pays an incremental price per share on the redemption date to the BBH Investors equal to the difference between \$18.50 per share (subject to adjustments) and the redemption price.

Our investor rights agreement also imposes customary confidentiality obligations on the WCC Investors, BBH Investors, Riverview Sponsor and the HF Investor.

Our investor rights agreement is governed under Delaware law.

PLAN OF DISTRIBUTION

This prospectus relates to the offer by us of up to 19,144,120 Common Shares issuable upon the exercise of an aggregate of 19,144,120 Warrants, each of which is exercisable at a price of \$11.50 per share.

We will receive proceeds from the exercise of the Warrants in cash. The exercise price of our Warrants is \$11.50 per Common Share. We believe the likelihood that Warrant holders will exercise their Warrants, and therefore the amount of cash proceeds that we would receive, is dependent upon the trading price of our Common Shares. If the trading price for our Common Shares is less than \$11.50 per share, we believe holders of our Warrants are unlikely to exercise their Warrants. Conversely, the Warrant holders are more likely to exercise their Warrants the higher the price of our Common Shares is above \$11.50 per share.

A holder of Warrants may exercise its Warrants in accordance with the warrant agreement on or before the expiration date set forth therein. See "*Description of Warrants*".

We will not receive any proceeds from the sale of the Common Shares obtained upon the exercise of the Warrants by the holders thereof.

We will generally bear all costs, expenses and fees in connection with the registration of the Common Shares being offered pursuant to this prospectus, including with regard to compliance with state securities or "blue sky" laws. The holders of the Warrants will bear all commissions and discounts, if any, attributable to their sale of Common Shares.

Our Common Share are currently listed on the Nasdaq under the symbol "WEST".

RISK FACTORS

Our business and investing in our securities involve a high degree of risk. You should carefully consider the risks described under the section titled “*Risk Factors*” contained in any applicable prospectus supplement and any related free writing prospectus, and discussed under the section titled “Risk Factors” contained in our most recent Annual Report on Form 10-K and in our most recent Quarterly Report on Form 10-Q, as well as any amendments thereto reflected in subsequent filings with the SEC, which are incorporated by reference into this prospectus in their entirety, together with other information in this prospectus, the documents incorporated by reference and any free writing prospectus that we may authorize for use in connection with a specific offering. The risks identified in these SEC filings could have a material and adverse impact on our business, prospects, results of operations, financial condition and cash flows. If any such events were to happen, the trading price of our Common Shares could decline, and you could lose all or part of your investment. Please also read carefully the section below titled “*Cautionary Note Regarding Forward-Looking Statements.*”

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the documents we have filed with the SEC that are incorporated by reference contain “forward-looking statements” within the meaning of Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In addition, any statements that refer to projections, forecasts, or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking statements. The words “anticipate,” “believe,” “could,” “estimate,” “expect,” “intend,” “may,” “might,” “plan,” “possible,” “potential,” “predict,” “project,” “would,” and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to significant risks and uncertainties. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and we assume no obligation and do not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.

There are or will be important factors that could cause our actual results to differ materially from those indicated in these forward-looking statements, including, but not limited to, the following:

- our limited operating history;
- the fact that we have incurred net losses in the past, may incur net losses in the future, and may not achieve profitability;
- risks associated with operating a coffee trading business and a coffee-exporting business;
- the volatility and increases in the cost of green coffee, tea and other ingredients and packaging, and our inability to pass these costs on to customers;
- our inability to secure an adequate supply of key raw materials, including green coffee and tea, or disruption in our supply chain;
- deterioration in general macroeconomic conditions;
- disruption in operations at any of our production and distribution facilities;
- climate change, which may increase commodity costs, damage our facilities and disrupt our production capabilities and supply chain;
- failure to retain key personnel or recruit qualified personnel;
- our inability to hedge commodity risks;
- consolidation among our distributors and customers or the loss of any key customer;
- complex and evolving U.S. and international laws and regulations, and noncompliance therewith subjecting us to criminal or civil liability;
- future acquisitions of businesses, which may divert our management’s attention, prove difficult to effectively integrate and fail to achieve their projected benefits;
- our inability to effectively manage the growth and increased complexity of our business;
- our inability to maintain or grow market share through continued differentiation of our product and competitive pricing;
- our inability to secure the additional capital needed to operate and grow our business;
- future litigation or legal disputes, which could lead us to incur significant liabilities and costs or harm our reputation;
- a material failure, inadequacy or interruption of our information technology systems;
- the unauthorized access, theft, use or destruction of personal, financial or other confidential information relating to our customers, suppliers, employees or business;

- our future level of indebtedness, which may reduce funds available for other business purposes and reduce our operational flexibility;
- our inability to comply with the financial covenants in our credit agreement;
- our inability to complete the construction of our new facility in Conway, Arkansas within the anticipated timeframe or incurring additional expenses in the process;
- our corporate structure and organization;
- the fact that our largest shareholders (and certain members of our management team) own a significant percentage of our stock and will be able to exert significant control over matters subject to shareholder approval;
- the impact of current global economic conditions, including those caused by economic slowdowns or recessions, changes in political, economic or industry conditions, global conflicts (including the ongoing military conflict between Russia and Ukraine and recent conflicts in Brazil), inflation, the interest rate environment, U.S. government shutdowns, downgrades to the U.S. government's sovereign credit rating or other conditions affecting the global financial and capital markets, and epidemic, pandemic or other health issues;
- the possible resurgence of Covid-19 and emergence of new variants of the virus; and
- other risks and uncertainties, including those indicated from time to time in filings made with the SEC.

The foregoing factors should not be construed as exhaustive and should be read together with the other cautionary statements included in this prospectus. If one or more events related to these or other risks or uncertainties materialize, or if our underlying assumptions prove to be incorrect, actual results may differ materially from what we anticipate. Many of the important factors that will determine these results are beyond our ability to control or predict. Accordingly, you should not place undue reliance on any such forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made, and, except as otherwise required by law, we do not undertake any obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise. New factors emerge from time to time, and it is not possible for us to predict which will arise. In addition, we cannot assess the impact of each factor on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements.

USE OF PROCEEDS

The Holders will pay any underwriting discounts, selling commissions and stock transfer taxes and fees incurred by such Holders in connection with any sale of their Common Shares. DETERMINATION OF OFFERING PRICE

We cannot currently determine the price or prices at which Common Shares may be sold by the Holders under this prospectus.

DESCRIPTION OF SECURITIES

The following description summarizes certain important terms of our capital stock, including the provisions included in our certificate of incorporation, bylaws and our investor rights agreement. This description is not complete and is qualified by reference to the full text of our certificate of incorporation, bylaws and our investor rights agreement, which are included as exhibits to the registration statement of which this prospectus is a part, as well as the applicable provisions of the General Corporation Law of the State of Delaware (the “DGCL”).

General

Our authorized capital stock consists of 300,000,000 Common Shares and 50,000,000 shares of preferred stock, of which 24,000,000 shares are designated as Series A convertible preferred stock (the “Series A Preferred Shares”).

As of October 2, 2023, Westrock had approximately 88,039,184 Common Shares and 23,511,922 Series A Preferred Shares issued and outstanding.

Common Stock

Voting

Each holder of Common Shares is entitled to one vote for each share on all matters submitted to a vote of the stockholders. Holders of Common Shares vote, as a single class, with holders of Series A Preferred Shares, on an as-converted basis, on all matters submitted to a vote of the stockholders.

Dividends

Subject to preferences that may apply to any outstanding Preferred Shares, including the Series A Preferred Shares, holders of Common Shares are entitled to receive ratably any dividends that our board of directors may declare out of funds legally available for that purpose on a non-cumulative basis.

Liquidation or Dissolution

In the event of our liquidation, dissolution or winding up, holders of Common Shares are entitled to share ratably in all assets remaining after payment of liabilities and the liquidation preference of any outstanding shares of preferred stock, including the Series A Preferred Shares.

Conversion and Exchange

The Common Shares are not subject to any conversion or exchange rights.

Other Provisions

Other than preemptive rights granted to certain affiliates of Brown Brothers Harriman & Co. (the “BBH Investors”) under the terms of our investor rights agreement, holders of Common Shares have no preemptive or subscription rights. See the section titled “Investor Rights Agreement” for more information. There are no redemption or sinking fund provisions applicable to Common Shares. All outstanding Common Shares are fully paid and non-assessable. The rights, preferences and privileges of the holders of the Common Shares are subject to, and may be adversely affected by, the rights of the holders of the Series A Preferred Shares and shares of any other series of Preferred Shares that we may designate and issue in the future.

Preferred Stock

Under the terms of our certificate of incorporation, our board of directors is authorized, subject to limitations prescribed by the DGCL and by our certificate of incorporation, to issue up to 24,000,000 Series A Preferred Shares and up to 26,000,000 Preferred Shares in one or more other series without further action by the holders of Common Shares. Our board of directors has the discretion, subject to limitations

prescribed by the DGCL, our certificate of incorporation and our investor rights agreement, to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, of each series of preferred stock. The rights, preferences, privileges and restrictions of the Series A Preferred Shares are described below.

Series A Preferred Shares

Maturity

Subject to the redemption and conversion rights described below, the Series A Preferred Shares are perpetual securities.

Priority

The Series A Preferred Shares rank, with respect to dividend rights and/or distribution rights upon the liquidation, winding up or dissolution, as applicable, of Westrock: (i) senior to the Common Shares and each other class or series of capital stock of Westrock, the terms of which do not expressly provide that such class or series ranks senior or on parity to the Series A Preferred Shares as to dividend rights or distribution rights upon Westrock's liquidation, winding up or dissolution (such stock, "Junior Stock"); (ii) on parity with any class or series of capital stock of Westrock, the terms of which expressly provide that such class or series ranks on parity with the Series A Preferred Shares as to dividend rights and distribution rights upon Westrock's liquidation, winding-up or dissolution (such stock, "Parity Stock"); and (iii) junior to each class or series of any class or series of capital stock of Westrock, the terms of which expressly provide that such class or series ranks senior to the Series A Preferred Shares as to dividend rights or distribution rights upon Westrock's liquidation, winding-up or dissolution ("Senior Stock").

Voting

Each holder of the Series A Preferred Shares is entitled to vote, on an as-converted basis, as a single class with the holders of Common Shares and the holders of any other class or series of capital stock of Westrock then entitled to vote with the Common Shares on all matters submitted to a vote of the holders of Common Shares.

Consent Rights

So long as any Series A Preferred Shares are outstanding, Westrock may not, without the affirmative vote or consent of the holders of record of at least a majority in voting power of the Series A Preferred Shares, voting together as a single, separate class: (a) amend, alter or repeal any provision of the certificate of incorporation, the by-laws or any other such organizational document of Westrock that would adversely affect the rights, preferences, privileges, voting power or special rights of the Series A Preferred Shares, (b) amend, alter, or supplement the certificate of incorporation, the by-laws or any other such organizational document of Westrock or any provision thereof, or take any other action to authorize or create, or increase the number of authorized or issued shares of, or any securities convertible into shares of, or reclassify any security into, or issue, any class or series of Senior Stock or Parity Stock, including with respect to dividend rights or rights upon Westrock's liquidation, winding-up or dissolution, (c) increase or decrease the authorized number of the Series A Preferred Shares or issue Series A Preferred Shares, Parity Stock or Senior Stock and (d) for so long as the BBH Investors and their controlled affiliates own at least sixty percent (60%) of the Series A Preferred Shares that the BBH Investors owned on August 26, 2022, consummate any Fundamental Change (as defined below) in which the holders of the Series A Preferred Shares would receive less than \$18.50 per share (subject to customary adjustments).

"Fundamental Change" means the consummation of (i) a sale of all or substantially all of the consolidated assets of Westrock (including by way of any reorganization, merger, consolidation or other similar transaction); (ii) a direct or indirect acquisition of beneficial ownership of more than fifty percent (50%) of the voting securities of Westrock by another person or group (other than an equityholder of Westrock immediately prior to the closing of its de-SPAC transaction or its affiliates or any "group" arising out of Westrock's investor rights agreement) by means of any transaction or series of transactions (including any reorganization, merger, consolidation, joint venture, share transfer or other similar transaction); (iii) a

consolidation, merger, reorganization or other form of acquisition of or by Westrock or other transaction in which Westrock's stockholders retain less than fifty percent (50%) of the voting securities of the entity resulting from such transaction (including, without limitation, an entity that, as a result of such transaction, owns Westrock either directly or indirectly through one or more subsidiaries) upon consummation of such transaction; or (iv) the obtaining by any person or group (other than an equityholder of Westrock immediately prior to the closing of its de-SPAC transaction or its affiliates or any "group" arising out of Westrock's investor rights agreement) of the power to elect a majority of the members of Westrock's board of directors.

Dividends

Westrock may, subject to customary restrictions, but is not required to, declare or pay any dividends solely on the Series A Preferred Shares (such dividends, the "Preferred Dividends") on a Dividend Payment Date. "Dividend Payment Date" means March 31, June 30, September 30 and December 31 of each year; provided that, if any such Dividend Payment Date is not a business day, then the applicable dividend shall be payable on the next business day immediately following such Dividend Payment Date, without any interest. The record date for payment of Preferred Dividends will be the close of business on the fifteenth (15th) day of the calendar month that contains the relevant Dividend Payment Date or such other record date fixed by our board of directors (or a duly authorized committee of our board of directors) that is not more than sixty (60) nor less than ten (10) days prior to such Dividend Payment Date.

Holders of the Series A Preferred Shares are entitled to receive ratably any dividends that our board of directors declares and pays on the Common Shares, on an as-converted basis, when paid to holders of Common Shares (the "Participating Dividends"). The record date for each Participating Dividend shall be the same as the record date for the corresponding dividend on the Common Shares.

Subject to customary exceptions, so long as any Series A Preferred Shares remain outstanding, unless (x) full dividends on all outstanding Series A Preferred Shares that have been declared have been paid in full, including, in arrearage, or a sum sufficient for the payment of those dividends has been or is set aside by Westrock, (y) no Escalation Event is ongoing and (z) if any Fundamental Change has occurred, the requirement of obtaining the consent of the holders of a majority of the Series A Preferred Shares (voting as a separate class), if applicable, was satisfied with respect to such Fundamental Change, Westrock may not declare any dividend on, or make any distributions relating to, the Common Shares or any other Junior Stock, or redeem, purchase, acquire or make a liquidation payment relating to, any Junior Stock. "Escalation Event" means (i) any event of default for a failure to make payment when due under the principal credit facility of Westrock or (ii) the failure of Westrock to redeem all Series A Preferred Shares that the holders thereof have elected for redemption.

For so long as any Series A Preferred Shares remain outstanding, if declared dividends are not paid in full upon the Series A Preferred Shares and any Parity Stock, all dividends declared upon the Series A Preferred Shares and any Parity Stock will be declared on a proportional basis so that the amount of dividends declared per share will bear to each other the same ratio that all unpaid dividends as of the end of the most recent dividend payment period per Series A Preferred Share and accrued and unpaid dividends as of the end of the most recent dividend period per share of any Parity Stock bear to each other.

Liquidation or Dissolution

The initial liquidation preference of the Series A Preferred Shares is \$11.50 per share, plus any declared but unpaid dividends and subject to accretion if the PIK Rate (defined below) is in effect. In the event of our liquidation, dissolution or winding up, holders of the Series A Preferred Shares are entitled to receive, per Series A Preferred Share, the greater of (a) the liquidation preference and (b) the amount such holder would have received had they converted their Series A Preferred Shares into Common Shares immediately prior to such liquidation event.

If, upon the voluntary or involuntary liquidation, winding-up or dissolution of Westrock, the assets of Westrock available for distribution to the holders of the Series A Preferred Shares and holders of Parity Stock are insufficient to permit payment in full to such holders of the sums which such holders are entitled to receive in such case, then all of the assets available for distribution to the holders of the Series A Preferred

Shares and holders of the Parity Stock shall be distributed among and paid to such holders, ratably in proportion to the respective amounts that would be payable to such holders if such assets were sufficient to permit payment in full.

Conversion, Transferability and Exchange

Holders of Series A Preferred Shares may voluntarily convert their Series A Preferred Shares into a whole number of Common Shares at any time at a rate equal to the quotient of (a) the liquidation preference as of the applicable conversion date, divided by (b) the conversion price as of the applicable conversion date, which is currently \$11.50 per Series A Preferred Share, plus cash in lieu of fractional shares. The initial conversion price of \$11.50 per Series A Preferred Share is subject to customary adjustments for the issuance of Common Shares as a dividend or distribution to the holders of Common Shares, a subdivision or combination of the Common Shares, reclassification of the Common Shares into a greater or lesser number of Common Shares, certain tender or exchange offers for the Common Shares, and issuances of Common Shares below a specified price.

Subject to the rights described under “*Fundamental Change*” below, in the event of specified extraordinary transactions, as a result of which Common Shares would be converted into, or exchanged for, stock, other securities or other property or assets (including cash or any combination thereof), each Series A Preferred Share outstanding immediately prior to such event will, without the consent of the holders of the Series A Preferred Shares, become convertible into the kind of stock, other securities or other property or assets that such holder would have been entitled to receive if such holder had converted its Series A Preferred Shares into Common Shares immediately prior to such event.

Other than as described above and under “*Fundamental Change*” below, the Series A Preferred Shares are not convertible at the option of Westrock.

Fundamental Change

For so long as the BBH Investor and its controlled affiliates own at least sixty percent (60%) of the Series A Preferred Shares that the BBH Investor owned as of August 26, 2022, the consummation of any Fundamental Change in which the holders of Series A Preferred Shares would receive less than the \$18.50 per share (subject to customary adjustments) requires the consent of holders of a majority of the Series A Preferred Shares.

In a Fundamental Change in which the consent of holders of a majority of the Series A Preferred Shares as a separate class is required, the holders of the Series A Preferred Shares will be entitled to receive the greater of (i) the liquidation preference of the Series A Preferred Shares and (ii) the amount such holder would have received had they converted the Series A Preferred Shares into Common Shares immediately prior to such Fundamental Change. In connection with a Fundamental Change in which the consent of holders of a majority of the Series A Preferred Shares as a separate class is not required, the holders of the Series A Preferred Shares will be entitled to receive the greater of (i) \$18.50 per Series A Preferred Share (subject to customary adjustments) and (ii) the amount such holder would have received had they converted their Series A Preferred Shares into Common Shares immediately prior to such Fundamental Change.

Westrock is required to pay the above redemption price in cash, provided that, if all or any portion of the consideration delivered to holders of Common Shares in such Fundamental Change consists of securities, Westrock (or its successor) may pay a portion of equal proportion, but only of equal portion, of the redemption in Qualifying Stock, with the fair market value of such Qualifying Stock (as defined below) being determined by our board of directors in good faith using reasonable methodologies. “Qualifying Stock” means securities of Westrock or the acquiring, surviving or resulting entity in such Fundamental Change or the entity controlling any such entity that has voting powers, preferences, privileges and special rights identical to the rights of the Series A Preferred Shares except for such differences that if made to the Series A Preferred Shares would not require the consent of holders of the Series A Preferred Shares voting as a separate class and that is listed on a nationally recognized stock exchange.

Redemption

After February 26, 2028, any holder of Series A Preferred Shares may require Westrock to redeem all or any whole number of such holder’s Series A Preferred Shares in cash, subject to applicable law and the

terms of any credit agreement or similar arrangement pursuant to which a third-party lender provides debt financing to Westrock or its subsidiaries, at a redemption price per share equal to the greater of (a) the liquidation preference and (b) the product of (i) the number of Common Shares that would have been obtained from converting one Series A Preferred Share on the redemption notice date and (ii) the simple average of the daily volume-weighted average price per Common Share for the ten (10) trading days ending on and including the trading day immediately preceding the redemption notice date.

A Holder may exercise its right to redeem the Series A Preferred Shares by delivering a written notice to Westrock, which notice must certify (x) such holder's address, (y) the number of Series A Preferred Shares held by such holder and the number of Series A Preferred Shares that such holder has elected to have redeemed and (z) the holder's desired date of redemption, which must be a business day that is no earlier than thirty (30) days and no later than sixty (60) days from the date such notice is sent if such notice is sent prior to February 26, 2028 and no earlier than sixty (60) days and no later than ninety (90) days otherwise, or such later date as may be required to comply with the requirements of applicable law.

To the extent any redemption is prohibited to be in cash, the liquidation preference on each unredeemed Series A Preferred Share will start accruing daily at a rate of ten percent per annum (the "PIK Rate"). In such case, any holder of Series A Preferred Shares may thereafter put any outstanding Series A Preferred Shares to Westrock only on August 26 of the applicable year, on the above terms, with the PIK Rate increasing by two percent with respect to unredeemed Series A Preferred Shares on each occasion that Westrock cannot satisfy the redemption entirely in cash.

After February 26, 2028, Westrock may redeem, ratably, in whole or, from time to time in part, the Preferred Shares of any holder then outstanding at a redemption price in cash, equal to the greater of (i) the liquidation preference and (ii) the product of (x) the number of Common Shares that would have been obtained from converting one Series A Preferred Share on the date Westrock notifies holders of the call (including fractional shares for this purpose) and (y) the simple average of the daily volume weighted average price per Common Share for the ten trading days ending on and including the trading day immediately preceding the date of the exercise of such call by Westrock. The redemption price for the Series A Preferred Shares held by the BBH Investors may not be less than the \$18.50 per Series A Preferred Share (subject to adjustments); provided that Westrock may redeem such shares in such a case if it pays an incremental price per share on the redemption date to the BBH Investors equal to the difference between \$18.50 (subject to adjustments) and the redemption price otherwise.

Westrock may exercise its right to redeem the Series A Preferred Shares by delivering a written notice to all of the holders, which notice must, among other things, state the date on which the redemption shall occur, which date shall be no earlier than thirty (30) days and no later than sixty (60) days from the redemption notice date, the number of Series A Preferred Shares to be redeemed and, if fewer than all the shares of a holder are to be redeemed, the number of such Series A Preferred Shares to be redeemed, and redemption price to be paid on the redemption date.

Sinking Fund

The Series A Preferred Shares are not subject to or entitled to the operation of a retirement or sinking fund.

Other Provisions

The BBH Investors have additional rights and obligations with respect to their Series A Preferred Shares under our investor rights agreement. See the section titled "*Investor Rights Agreement*."

Anti-Takeover Effects of Various Provisions of Delaware Law, Our Certificate of Incorporation and Our Bylaws

Provisions of the DGCL and our certificate of incorporation and bylaws could make it more difficult to acquire Westrock by means of a tender offer, a proxy contest or otherwise, or to remove incumbent officers and directors. These provisions, which are summarized below, may discourage certain types of coercive takeover practices and takeover bids that our board of directors may consider inadequate and to encourage

persons seeking to acquire control of Westrock to first negotiate with our board of directors. Westrock believes that the benefits of increased protection of its ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure it outweigh the disadvantages of discouraging takeover or acquisition proposals because, among other things, negotiation of these proposals could result in an improvement of their terms.

Delaware Anti-Takeover Statute

As a Delaware corporation, Westrock is subject to Section 203 of the DGCL regarding corporate takeovers. In general, Section 203 of the DGCL prohibits a publicly held Delaware corporation from engaging in a “business combination” with an “interested stockholder” for a period of three years following the time the person became an interested stockholder, unless:

- prior to the date of the transaction, the board of directors of such corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;
- upon completion of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time such transaction commenced, excluding, for purposes of determining the number of shares outstanding, (a) shares owned by persons who are directors and also officers of the corporation and (b) shares owned by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- on or subsequent to such time the business combination is approved by the board of directors of such corporation and authorized at a meeting of stockholders by the affirmative vote of at least two-thirds of the outstanding voting stock of such corporation not owned by the interested stockholder.

In this context, a “business combination” includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. An “interested stockholder” is a person who, together with affiliates and associates, owns or, within three years prior to the determination of interested stockholder status owned, 15% or more of a corporation’s outstanding voting stock. The existence of this provision would be expected to have an anti-takeover effect with respect to transactions not approved in advance by our board of directors, including discouraging attempts that might result in a premium over the market price for the Common Shares held by our stockholders.

A Delaware corporation may “opt out” of Section 203 with an express provision in its original certificate of incorporation or an express provision in its certificate of incorporation or bylaws resulting from amendments approved by holders of at least a majority of the corporation’s outstanding voting shares. We have not elected to “opt out” of Section 203. However, following this offering and subject to compliance with Delaware law, our organizational documents and any contractual restrictions, we could subsequently elect to “opt out” of Section 203 by such an amendment to our certificate of incorporation or bylaws.

Classified Board

Our certificate of incorporation and bylaws currently provide that our board of directors is divided into three classes, with Class III consisting of four directors and Classes I and II consisting of three directors. As of the date of this prospectus, the directors designated as Class I directors have terms expiring at the annual meeting of stockholders that we expect to hold in 2026. The directors designated as Class II directors have terms expiring at the annual meeting of stockholders that we expect to hold in 2024. The directors designated as Class III directors have terms expiring at the annual meeting of stockholders that we expect to hold in 2025. At each annual meeting through (and including) the 2025 annual meeting of stockholders, directors for each class will be elected for a term of three years. Under the classified board provisions, it may take two elections of directors for any individual or group to gain control of our board of directors. Accordingly, these provisions could discourage a third party from initiating a proxy contest, making a tender offer or otherwise attempting to gain control of Westrock. Beginning at the first annual meeting of stockholders in 2026, the directors whose terms expire at such annual meeting and any subsequent annual

meeting will be elected to hold office for a one-year term expiring at the next annual meeting of stockholders and until such director's successor shall have been elected and qualified. The board of directors will be fully declassified following the annual meeting in 2028 with all directors standing for election for one-year terms.

At any meeting of stockholders for the election of directors at which a quorum is present, the election will be determined by a majority of the total voting power of shares of capital stock of Westrock present in person or represented by proxy at the meeting and entitled to vote on the matter, except that if the number of nominees exceeds the number of directors to be elected, the directors shall be elected by the vote of a plurality of the total voting power of shares of capital stock of Westrock present in person or represented by proxy at any such meeting.

Removal of Directors

Directors may be removed only for cause by the affirmative vote of the majority of the votes cast by the holders of shares entitled to vote for the election of directors; provided that once the directors are in a class that is elected for a one-year term, such director may be removed with or without cause.

Amendments to Certificate of Incorporation and Bylaws

Our certificate of incorporation provides that it may be amended or altered in any manner provided by the DGCL, provided that specified amendments will require the affirmative vote or consent of the holders of at least a majority of the shares of Series A Preferred Shares outstanding at such time, voting together as a separate class. See the section titled "*— Series A Preferred Shares — Consent Rights*" above. Our bylaws may be adopted, amended, altered or repealed by stockholders upon the approval of a majority of the voting power of all of the then-outstanding shares of stock entitled to vote at an election of directors, provided that specified amendments will require the affirmative vote or consent of the holders of at least a majority of the Series A Preferred Shares outstanding at such time, voting together as a separate class. See the section titled "*— Series A Preferred Shares — Consent Rights*" above. Additionally, subject to the rights of the Series A Preferred Shares, our certificate of incorporation and bylaws provide that our bylaws may be adopted, amended, altered or repealed by the board of directors.

Size of Board and Vacancies

Our certificate of incorporation and our bylaws provide that the number of directors on our board of directors is fixed exclusively by our board of directors. Our board currently consists of ten (10) directors, provided that, if certain affiliates of HF Capital, LLC exercise their director designation rights, we are required to increase the size of our board to eleven (11) directors, and otherwise, any increase or decrease to the size of the board requires the consent of certain investors specified in our investor rights agreement. Subject to the rights of certain investors specified in our investor rights agreement, any vacancies on our board of directors resulting from any increase in the authorized number of directors or the death, resignation, retirement, disqualification, removal from office or other cause will be filled by a majority of the board of directors then in office, whether or not less than a quorum. Subject to the rights of certain investors specified in our investor rights agreement, our certificate of incorporation and our bylaws provide that any director appointed to fill a vacancy on our board of directors will hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class to which he or she has been appointed expires and until such director's successor shall have been duly elected and qualified. See the section titled "*Investor Rights Agreement*."

Special Stockholder Meetings

Our bylaws provide that only the chairman of the board of directors, the chief executive officer or an officer at the request of a majority of the members of the board of directors pursuant to a resolution approved by the board of directors may call special meetings of Westrock stockholders, and stockholders may not call special stockholder meetings.

Stockholder Action by Written Consent

Stockholder action must take place at the annual or a special meeting of Westrock stockholders, provided that holders of the Series A Preferred Shares may take action or consent to any action with respect

to the matters described under the section titled “— *Series A Preferred Shares — Consent Rights*” above without a meeting by delivering a consent in writing or by electronic transmission of the holders of the Series A Preferred Shares entitled to cast not less than the minimum number of votes that would be necessary to authorize, take or consent to such action at a meeting of stockholders.

Requirements for Advance Notification of Stockholder Nominations and Proposals

Our bylaws contain advance notice procedures with respect to stockholder proposals and nomination of candidates for election as directors, as well as minimum qualification requirements for stockholders making the proposals or nominations. Additionally, our bylaws require that candidates nominated by stockholders for election as a director disclose their qualifications and make customary representations, including that (a) they are not a party to any undisclosed voting commitment, any voting commitment that could interfere with their ability to fulfill their fiduciary duties as a director of Westrock, should they be elected, or any undisclosed agreement pursuant to which they would receive compensation, reimbursement or indemnification in connection with their service as a director of Westrock, (b) they will be in compliance, should they be elected, with Westrock’s corporate governance guidelines and the Westrock’s conflict of interest, confidentiality and stock ownership and trading policies and (c) they will abide by the procedures for the election of directors in our bylaws.

No Cumulative Voting

The DGCL provides that stockholders will not have the right to cumulate votes in the election of directors unless the company’s certificate of incorporation provides otherwise. Our certificate of incorporation does not provide for cumulative voting.

Undesignated Preferred Stock

The authority that our board of directors possesses to issue Preferred Shares could potentially be used to discourage attempts by third parties to obtain control of Westrock through a merger, tender offer, proxy contest or otherwise by making such attempts more difficult or more costly. Our board of directors may be able to issue Preferred Shares with voting rights or conversion rights that, if exercised, could adversely affect the voting power of the holders of the Common Shares.

Terms of the Preferred Shares

There are terms of the Series A Preferred Shares that may discourage attempts by third parties to obtain control of Westrock through a merger, tender offer, proxy contest or otherwise by making such attempts more difficult or more costly. These include: (i) the rights of the holders of Series A Preferred Shares to vote as a separate class with respect to amendments to the certificate of incorporation and bylaws of Westrock that would adversely affect the rights, preferences, privileges, voting power or special rights of the Series A Preferred Shares and, for so long as the BBH Investors and their controlled affiliates own at least sixty percent (60%) of the Series A Preferred Shares that the BBH Investors owned on August 26, 2022, any Fundamental Change in which the holders of the Series A Preferred Shares would receive less than \$18.50 per share (subject to adjustment), and (ii) the rights of the Series A Preferred Shares in a Fundamental Change to receive at least a specified amount. See the section titled “— *Preferred Stock*” above for more information.

Limitations on Liability, Indemnification of Officers and Directors, and Insurance

Elimination of Liability of Directors and Officers

The DGCL authorizes corporations to limit or eliminate the personal liability of directors and certain officers to corporations and their stockholders for monetary damages for breaches of directors’ fiduciary duties as directors or officers, as applicable, except for liability (1) for any breach of the director’s or officer’s duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) for a director under Section 174 of the DGCL (regarding, among other things, the payment of unlawful dividends or unlawful stock purchases or redemptions), (4) for any transaction from which the director derived an improper personal benefit, or

(5) for an officer, in any action by or in right of the corporation. Our certificate of incorporation provides that, to the fullest extent permitted by the DGCL, no director or officer will be personally liable to us or to our stockholders for monetary damages for breach of fiduciary duty as a director or officer, as applicable. While our certificate of incorporation provides directors and officers with protection from awards for monetary damages for breaches of their duty of care, it does not eliminate this duty. Accordingly, our certificate of incorporation has no effect on the availability of equitable remedies such as an injunction or rescission based on a director's breach of his or her duty of care.

Indemnification of Directors, Officers and Employees

Our certificate of incorporation and our bylaws require us to indemnify any person who was or is a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding by reason of the fact that he or she is or was a director or officer of Westrock, or is or was serving at the request of Westrock as a director, officer, trustee, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by Westrock, against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) incurred or suffered by such person in connection with such proceeding if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of Westrock and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

We are authorized under our bylaws to purchase and maintain insurance to protect Westrock and any current or former director, officer, employee or agent of Westrock or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not Westrock would have the power to indemnify such person against such expense, liability or loss under the DGCL.

We have entered into indemnification agreements with each of our directors and officers. The indemnification agreements provide that we will indemnify each indemnitee to the fullest extent permitted by the DGCL from and against all loss and liability suffered and expenses, judgments, fines and amounts paid in settlement incurred in connection with defending, investigating or settling any threatened, pending, or completed action, suit or proceeding related to the indemnitee's service with the Company. Additionally, we have agreed to advance to the indemnitee expenses incurred in connection therewith.

The limitation of liability and indemnification provisions in these indemnification agreements and our certificate of incorporation and bylaws may discourage stockholders from bringing a lawsuit against our directors and covered officers for breach of fiduciary duty. These provisions also may reduce the likelihood of derivative litigation against our directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In addition, your investment in our securities may be adversely affected to the extent we pay the costs of settlement and damage awards under these indemnification provisions.

Exclusive Forum

Our certificate of incorporation provides that, unless the Westrock board of directors consents in writing to the selection of an alternative forum, the Delaware Court of Chancery or, if the Delaware Court of Chancery declines to accept jurisdiction, any state or federal court within the District of Delaware, will be the sole and exclusive forum for any derivative action or proceeding brought on our behalf, any action asserting a claim for or based on a breach of a fiduciary duty owed by any of our current or former directors or officers or other employee to us or our stockholders, including a claim alleging the aiding and abetting of such a breach of fiduciary duty, any action asserting a claim against us or any of our current or former directors or officers or other employees arising pursuant to any provision of the DGCL or our certificate of incorporation or bylaws, or any action asserting a claim related to or involving us that is governed by the internal affairs doctrine under Delaware law and any action asserting an "internal corporate claim" as that term is defined in Section 115 of the DGCL. Section 27 of the Exchange Act provides that the district courts of the United States shall have exclusive jurisdiction of violations of the Exchange Act or the rules and regulations thereunder, and of all suits in equity and actions at law brought to enforce any liability or duty created by the Exchange Act or the rules and regulations thereunder. As a result, this forum selection provision

will not apply to actions arising under the Exchange Act or the rules and regulations thereunder. This forum selection provision will also not apply to any other claim for which the federal courts have exclusive jurisdiction. In addition, Westrock's certificate of incorporation provides that, unless we consent in writing to the selection of an alternative forum, the federal district courts of the United States of America shall, to the fullest extent permitted by law, be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act, or the rules and regulations promulgated thereunder. There is uncertainty as to whether a court would enforce this provision with respect to claims under the Securities Act, and our stockholders cannot waive compliance with the federal securities laws and the rules and regulations thereunder.

Corporate Opportunity Waiver

Our certificate of incorporation provides that Westrock waives, to the maximum extent permitted by law, the application of the doctrine of corporate opportunity, or any other analogous doctrine, with respect to Westrock, any non-employee directors or stockholders or any of their respective affiliates. Without limiting the foregoing, Westrock will renounce, to the fullest extent permitted by law, any interest or expectancy of Westrock, its stockholders and any of their respective affiliates in, or in being notified of or offered an opportunity to participate in, any Excluded Opportunity. An "Excluded Opportunity" is any matter, transaction or interest that is presented to, or acquired, created or developed by, or which otherwise comes into the possession of (i) any director of Westrock who is not an employee of Westrock or any of its subsidiaries or (ii) any such director's affiliates, partners, or other representatives (each of the foregoing, a "Covered Person"), unless such matter, transaction or interest is expressly offered to such director solely in his or her capacity as a director of Westrock. No Covered Person shall have any duty to communicate or offer an Excluded Opportunity to Westrock or any of its affiliates or stockholders, and no Covered Person shall have any liability to Westrock, any of its affiliates or stockholders for breach of any duty, as a director or otherwise, by reason of the fact that such Covered Person pursues or acquires an Excluded Opportunity, directs an Excluded Opportunity to another person or fails to present an Excluded Opportunity, or information regarding an Excluded Opportunity, to Westrock or any of its affiliates or stockholders.

Authorized but Unissued Shares

Our authorized but unissued shares of Common Shares and Preferred Shares will be available for future issuance without your approval. We may use additional shares for a variety of purposes, including future public offerings to raise additional capital, to fund acquisitions and as employee compensation. The existence of authorized but unissued shares of Common Shares and Preferred Shares could render more difficult or discourage an attempt to obtain control of Westrock by means of a proxy contest, tender offer, merger or otherwise.

Registration Rights

Certain of our stockholders have demand and piggy-back registration rights under the terms of our registration rights agreement, dated April 4, 2022.

Transfer Agent and Warrant Agent

The transfer agent and registrar for the Common Shares and Series A Preferred Shares is Computershare Trust Company, N.A.

Listing of Common Shares and Series A Preferred Shares

The Common Shares are listed on the Nasdaq under the symbol "WEST". The Series A Preferred Shares are not currently listed on any stock exchange, automated quotation system or other market and we do not currently intend to list the Series A Preferred Shares on any stock exchange, automated quotation system or other market.

DESCRIPTION OF WARRANTS

The following description summarizes certain important terms of our existing warrants and our warrant agreement. This description is not complete and is qualified by reference to the full text of our warrant agreement, which is included as Exhibit 4.3 to the registration statement of which this prospectus is a part.

Our existing outstanding warrants consist of the warrants, which are listed on Nasdaq (such warrants, the “Public Warrants”), and private placement warrants (the “Private Placement Warrants” and together with the Public Warrants, the “Warrants”), which represent warrants that were initially issued by Riverview Acquisition Corp. in private placement transactions and became warrants of Westrock as a result of our de-SPAC transaction with Riverview Acquisition Corp.

As of October 2, 2023, Westrock had approximately 19,144,120 Warrants issued and outstanding.

Public Warrants

Each whole Public Warrant entitles the registered holder to purchase one Common Share at a price of \$11.50 per share, subject to adjustment as discussed below, provided that Westrock has an effective registration statement under the Securities Act covering the Common Shares issuable upon exercise of the Public Warrants and a current prospectus relating to them is available (or Westrock permits holders to exercise their Public Warrants on a cashless basis under the circumstances specified in the warrant agreement) and such shares are registered, qualified or exempt from registration under the securities, or blue sky, laws of the state of residence of the holder. The Public Warrants will expire on August 26, 2027 at 5:00 p.m., New York City time, or earlier upon redemption or liquidation.

Westrock is not obligated to deliver any Common Shares pursuant to the exercise for cash of a Public Warrant and has no obligation to settle such Public Warrant exercise unless a registration statement under the Securities Act with respect to the Common Shares underlying the Public Warrants is then effective and a prospectus relating thereto is current, subject to Westrock satisfying its obligations described below with respect to registration, or a valid exemption from registration is available. No Public Warrant is exercisable and Westrock is not obligated to issue a Common Share upon exercise of a Public Warrant unless the Common Shares issuable upon such warrant exercise have been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the registered holder of the Public Warrants. In the event that the conditions in the two immediately preceding sentences are not satisfied with respect to a Public Warrant, the holder of such Public Warrant will not be entitled to exercise such Public Warrant and such Public Warrant may have no value and expire worthless. In no event will Westrock be required to net cash settle any Public Warrant.

Westrock has filed a registration statement on Form S-1 (File No.: 333-267509) under the Securities Act to register the Common Shares issuable upon exercise of the Public Warrants. Westrock is obligated to use its commercially reasonable efforts to maintain the effectiveness of the registration statement for the registration, under the Securities Act, of the Common Shares issuable upon exercise of the Warrants, and of a current prospectus relating thereto, until the expiration of the Warrants in accordance with the provisions of our existing warrant agreement. Under the terms of our warrant agreement, warrant holders will be permitted during any period when Westrock will have failed to maintain an effective registration statement, to exercise their warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act or another exemption.

In addition, if Common Shares are, at the time of any exercise of a Public Warrant, not listed on a national securities exchange such that they do not satisfy the definition of a “covered security” under Section 18(b)(1) of the Securities Act, Westrock may, at its option, require holders of the Public Warrants who exercise their Public Warrants to do so on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act and, in the event Westrock elects to do so, Westrock will not be required to file or maintain in effect a registration statement, but Westrock will use its best efforts to register or qualify the shares under applicable blue sky laws to the extent an exemption is not available. In such event, each holder would pay the exercise price by surrendering each such Public Warrant for that number of Common Shares equal to the quotient obtained by dividing (x) the product of the number of Common Shares underlying the Public Warrants, multiplied by the excess of the fair market value of the Common Shares over the exercise price of

the Public Warrants by (y) the fair market value of the Common Shares. Under the warrant agreement, the fair market value of the Common Shares means average reported last sale price of the Common Shares for the ten (10) trading days ending on the third trading day prior to the date on which the notice of redemption is sent to the holders of Public Warrants.

Redemption. Westrock may redeem not less than all of the outstanding Public Warrants:

- in whole and not in part;
- at a price of \$0.01 per Warrant;
- upon not less than 30 days' prior written notice of redemption to each Warrant holder; and
- if, and only if, the reported last sale price of the Common Shares for any 20 trading days within a 30-trading day period ending three business days before Westrock sends the notice of redemption to the warrant holders equals or exceeds \$18.00 per share.

If and when the Public Warrants become redeemable by Westrock, Westrock may exercise its redemption right even if Westrock is unable to register or qualify the underlying securities for sale under all applicable state securities laws.

If the foregoing conditions are satisfied and Westrock issues a notice of redemption of the Public Warrants, each warrant holder will be entitled to exercise his, her or its Public Warrant prior to the scheduled redemption date. However, the price of the Common Shares may fall below the \$18.00 redemption trigger price as well as the \$11.50 (for whole shares) Public Warrant exercise price after the redemption notice is issued.

If we call the Public Warrants for redemption as described above, Westrock's management will have the option to require any holder that wishes to exercise its Public Warrant to do so on a "cashless basis." If Westrock's management takes advantage of this option, all holders of Public Warrants would pay the exercise price by surrendering their Public Warrants for that number of Common Shares equal to the quotient obtained by dividing (x) the product of the number of Common Shares underlying the Public Warrants, multiplied by the excess of the fair market value of the Common Shares (as defined above) over the exercise price of the Public Warrants by (y) the fair market value of the Common Shares.

A holder of a Public Warrant may notify Westrock in writing in the event it elects to be subject to a requirement that such holder will not have the right to exercise such Public Warrant, to the extent that after giving effect to such exercise, such person (together with such person's affiliates), to the warrant agent's actual knowledge, would beneficially own in excess of 9.8% (or such other amount as a holder may specify) of the Common Shares outstanding immediately after giving effect to such exercise.

Anti-dilution Adjustments. If the number of outstanding Common Shares is increased by a stock dividend payable in Common Shares, or by a split-up of shares of Common Shares or other similar event, then, on the effective date of such stock dividend, split-up or similar event, the number of Common Shares issuable on exercise of each Public Warrant will be increased in proportion to such increase in the outstanding Common Shares. A rights offering to holders of Common Shares entitling holders to purchase Common Shares at a price less than the fair market value (as defined above) will be deemed a stock dividend of a number of Common Shares equal to the product of (i) the number of Common Shares actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for Common Shares) and (ii) one minus the quotient of (x) the price per Common Share paid in such rights offering and (y) the fair market value. For these purposes, (i) if the rights offering is for securities convertible into or exercisable for Common Shares, in determining the price payable for Common Shares, there will be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) "fair market value" means the volume-weighted average price of Common Shares as reported during the ten (10)-trading-day period ending on the trading day prior to the first date on which the Common Shares trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights.

In addition, if we, at any time while the Public Warrants are outstanding and unexpired, pay a dividend or make a distribution in cash, securities or other assets to the holders of Common Shares on

account of such Common Shares (or other securities into which the Public Warrants are convertible), other than (a) as described above or (b) specified ordinary cash dividends, then the Public Warrant exercise price will be decreased, effective immediately after the effective date of such event, by the amount of cash and/or the fair market value of any securities or other assets paid on each Common Share in respect of such event.

If the number of outstanding Common Shares is decreased by a consolidation, combination, reverse stock split or reclassification of Common Shares or other similar event, then, on the effective date of such consolidation, combination, reverse share split, reclassification or similar event, the number of Common Shares issuable on exercise of each Public Warrant will be decreased in proportion to such decrease in outstanding Common Shares.

Whenever the number of Common Shares purchasable upon the exercise of the Public Warrants is adjusted, as described above, the Public Warrant exercise price will be adjusted by multiplying the Public Warrant exercise price immediately prior to such adjustment by a fraction (x) the numerator of which will be the number of Common Shares purchasable upon the exercise of the Public Warrants immediately prior to such adjustment and (y) the denominator of which will be the number of Common Shares so purchasable immediately thereafter.

In case of any reclassification or reorganization of the outstanding Common Shares (other than those described above or that solely affects the par value of such Common Shares), or in the case of any merger or consolidation of Westrock with or into another corporation (other than a consolidation or merger in which Westrock is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding Common Shares), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of Westrock as an entirety or substantially as an entirety in connection with which Westrock is dissolved, the holders of the Public Warrants will thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Public Warrants and in lieu of the Common Shares immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of Common Shares or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the Public Warrants would have received if such holder had exercised their Public Warrants immediately prior to such event. If less than 70% of the consideration receivable by the holders of Common Shares in such a transaction is payable in the form of Common Shares in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the registered holder of the Public Warrant properly exercises the Public Warrant within thirty days following public disclosure of such transaction, the Public Warrant exercise price will be reduced as specified in our warrant agreement based on the Black-Scholes Warrant Value (as defined in our warrant agreement) of the Public Warrant.

Our warrant agreement provides that the terms of the Public Warrants may be amended without the consent of any holder to cure any ambiguity or correct any defective provision, but requires the approval by the holders of at least 50% of the then-outstanding Public Warrants to make any change that adversely affects the interests of the registered holders of Public Warrants.

The Public Warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of the warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price (or on a cashless basis, if applicable), by certified or official bank check payable to Westrock, for the number of Public Warrants being exercised. The warrant holders do not have the rights or privileges of holders of Common Shares and any voting rights until they exercise their Public Warrants and receive Common Shares.

No fractional shares will be issued upon exercise of the Public Warrants. If, upon exercise of the Public Warrants, a holder would be entitled to receive a fractional interest in a share, Westrock will, upon exercise, round down to the nearest whole number, the number of Common Shares to be issued to the warrant holder.

Private Placement Warrants

The Private Placement Warrants (including the Common Shares issuable upon exercise of the Private Placement Warrants) may not be redeemable by Westrock so long as they are held by Riverview Sponsor Partners, LLC (“Riverview Sponsor”) or its permitted transferees (except as otherwise set forth herein). Riverview Sponsor, or its permitted transferees, have the option to exercise the Private Placement Warrants on a cashless basis. Except as described below, the Private Placement Warrants have terms and provisions that are identical to those of the Public Warrants. If the Private Placement Warrants are held by holders other than Riverview Sponsor or its permitted transferees, the Private Placement Warrants will be redeemable by Westrock in all redemption scenarios and exercisable by the holders on the same basis as the Public Warrants.

If holders of the Private Placement Warrants elect to exercise them on a cashless basis, they would pay the exercise price by surrendering his, her or its Private Placement Warrants for that number of Common Shares equal to the quotient obtained by dividing (x) the product of the number of Common Shares underlying the Private Placement Warrants, multiplied by the excess of the historical fair market value (defined below) of the Common Shares over the exercise price of the Private Placement Warrants by (y) the fair market value of the Common Shares. For these purposes, the “historical fair market value” shall mean the average last reported sale price of the Common Shares for the 10 trading days ending on the third trading day prior to the date on which the notice of warrant exercise is sent to the warrant agent.

Transfer Agent and Warrant Agent

The warrant agent for our existing warrants is Computershare Inc. and Computershare Trust Company, N.A.

Listing of Warrants

The Public Warrants are listed on the Nasdaq under the symbol “WESTW”.

INVESTOR RIGHTS AGREEMENT

The following description summarizes certain important terms of our investor rights agreement. This description is not complete and is qualified by reference to the full text of our investor rights agreement, which is included as Exhibit 4.4 to the registration statement of which this prospectus is a part.

The parties to our investor rights agreement are (i) Westrock Group, LLC (together with certain other entities, the “WCC Investors”), (ii) BBH Capital Partners V, L.P., BBH Capital Partners V-A, L.P., and BBH CPV WCC Co-Investment LLC (as referred to before, the “BBH Investors”), (iii) Riverview Sponsor, and (iv) HF Direct Investments Pool, LLC (“HF Investor”).

Pursuant to our investor rights agreement, the Westrock board of directors will consist of ten directors, provided that if the HF Investor exercises its board designation right, Westrock is required to increase the size of the board to eleven directors. The WCC Investors have the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock (a) up to two directors (of which, so long as the Westrock board of directors is classified, one director will be for Class I and one director will be for Class III) for so long as the initial WCC Investors collectively beneficially own at least 10% of our outstanding stock and (b) up to one director (which such director will be for Class III so long as the Westrock board of directors is classified), so long as the WCC Investors collectively beneficially own at least 5% of our outstanding stock but less than 10% of our outstanding stock. The BBH Investors have the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock (a) up to two directors (of which, so long as the Westrock board of directors is classified, one director will be for Class II and one director will be for Class III) for so long as the BBH Investors collectively beneficially own at least 10% of our outstanding stock and (b) up to one director (which such director will be for Class III so long as the Westrock board of directors is classified), so long as the BBH Investors collectively beneficially own at least 5% of our outstanding stock but less than 10% of our outstanding stock; provided that, such designated directors must satisfy the independence requirements under the Nasdaq listing standards. Riverview Sponsor has the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock (a) two directors (of which, so long as the Westrock board of directors is classified, one director will be for Class I and one director will be for Class II) for so long as Riverview Sponsor, any controlled affiliate of R. Brad Martin and certain investors who invested in the Company by purchasing Riverview Acquisition Corp. shares collectively beneficially own at least 10% of our outstanding stock and (b) one director (of which, so long as the Westrock board of directors is classified, will be for Class I), for so long as Riverview Sponsor, any controlled affiliate of R. Brad Martin and such PIPE Investors collectively beneficially own at least 5% of our outstanding stock but less than 10% of our outstanding stock; provided that, such designated directors must satisfy independence requirements under the Nasdaq listing standards. The remaining directors will be designated for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock by the Nominating and Corporate Governance Committee of the Westrock board of directors and must satisfy independence requirements under the Nasdaq listing standards. Additionally, the HF Investor has the right to designate for inclusion in Westrock’s slate of individuals to be nominated for election to the board of directors of Westrock up to one director (which such director will be for Class II so long as the Westrock board of directors is classified), so long as the HF Investor beneficially owns at least 5% of our outstanding stock.

If the BBH Investors have the right to nominate at least one director and none of the directors designated by BBH are R. Patrick Kruczek or Matthew Salsbury (the “Specified BBH Individuals”), Westrock is required to appoint one Specified BBH Individual not then serving as a director on the Westrock board of directors as a non-voting observer of the Westrock board of directors.

As noted before, pursuant to our investor rights agreement, the Westrock board of directors will consist of ten directors, provided that, if the HF Investor exercises its board designation right, Westrock is required to increase the size of the board to eleven directors. Any increase or decrease of the size of the Westrock board of directors above or below this specified number will require the consent of each of the WCC Investors, the BBH Investors, Riverview Sponsor and the HF Investor, so long as such investor has the right to designate at least one director. In the event that a vacancy is created at any time by the death, disqualification, resignation, removal or failure to be elected by Westrock’s stockholders (and no other director has been elected by the stockholders of Westrock to fill such vacancy) of a director designated by

the WCC Investors, the BBH Investors, Riverview Sponsor or the HF Investor, the applicable designating party will have the right to designate a replacement to fill such vacancy and the Westrock board of directors will use reasonable best efforts to cause such designee to be promptly appointed to the Westrock board of directors to fill such vacancy, subject to applicable law.

Our investor rights agreement also provides preemptive rights to the BBH Investors. Subject to customary exceptions, for so long as the BBH Investors have the right to designate at least one director, if Westrock proposes to issue any Common Shares or equity interests of Westrock (including any warrants, options or other rights to acquire, or any securities that are exercisable for, exchangeable for or convertible into, Common Shares or any class of security of Westrock) (a) in an unregistered offering to third parties or (b) at an offering price or implied offering price (in each case, prior to any underwriters' discount and any other fees and commissions) for the Common Shares that is less than \$10.00 per share (subject to customary adjustments), the BBH Investors have the right to purchase their pro-rata amount of such equity interests on the same terms and conditions and at the same price as being offered in such offering.

The WCC Investors, the BBH Investors, Riverview Sponsor and the HF Investor are subject to customary standstill restrictions, including that such investors or any controlled affiliate of the controlling persons of such investors cannot, without Westrock's prior written consent, (a) make any public announcement, proposal or offer with respect to, or otherwise solicit, seek or offer to effect (i) any business combination, merger, tender offer, exchange offer, sale of all or substantially all assets or similar transaction, (ii) any restructuring, recapitalization, liquidation or similar transaction involving Westrock or any of its subsidiaries, or (iii) any acquisition of any of Westrock's loans, debt securities, equity securities or assets, or rights or options to acquire interests in any of Westrock's loans, debt securities, equity securities or asset; (b) seek to control or change the management or the board of directors of Westrock; (c) call any special meeting of stockholders of Westrock or engage in any written consent of stockholders regarding the foregoing; (d) publicly disclose any intention, plan or arrangement prohibited by the foregoing or take any action that would or would reasonably be expected to require Westrock to make a public announcement regarding the possibility of a transaction or any of the events described in this paragraph, or (e) contest the validity of the standstill restrictions or make, initiate, take or participate in any demand, action (legal or otherwise) or proposal to amend, waive or terminate any provision of the standstill restrictions. Subject to specified early termination triggers, the standstill restrictions with respect to the WCC Investors, BBH Investors, Riverview Sponsor and the HF Investor automatically terminate on the first day after such investor no longer has the right to designate any directors for nomination pursuant to our investor rights agreement.

Our investor rights agreement also provides that if an Escalation Event is ongoing during the period during which the BBH Investors have the right to designate at least one director pursuant to our investor rights agreement, Westrock may not take specified actions, that would require lender consent under our credit facility, without the consent of the BBH Investors and must provide the BBH Investors with the same information it provides to the lenders under our credit facility and at substantially the same time as it is provided to such lenders.

The BBH Investors and the HF Investor are subject to certain short-sale and hedging restrictions with respect to our securities for so long as they have director designation rights under our investor rights agreement.

Our investor rights agreement also provides that Westrock cannot redeem any Series A Preferred Shares held by the BBH Investors if the redemption price for such shares is less than \$18.50 per share (subject to adjustments), provided that Westrock may redeem such shares in such a case if it pays an incremental price per share on the redemption date to the BBH Investors equal to the difference between \$18.50 per share (subject to adjustments) and the redemption price.

Our investor rights agreement also imposes customary confidentiality obligations on the WCC Investors, BBH Investors, Riverview Sponsor and the HF Investor.

Our investor rights agreement is governed under Delaware law.

This prospectus relates to the possible offer and resale by the Holders identified below of up to 89,918,811 issued and outstanding Common Shares (including Common Shares underlying vested restricted share awards). This prospectus is not offering warrants or Series A Preferred Shares.

When we refer to the “Holders” in this prospectus, we mean the persons listed in the table below, and the pledgees, donees, transferees, assignees, successors and others who later come to hold any of the Holders’ interest in the securities of the Company listed in the table below after the date of this prospectus, in each case so long as we are required to provide such transferees with registration rights.

The following tables are prepared based on information provided to us by the Holders. They set forth the names of the Holders, the aggregate number of Common Shares that the Holders may offer pursuant to this prospectus, and the beneficial ownership of the Holders both before and after the offering. We have based percentage ownership prior to this offering on 88,039,184 Common Shares and 23,511,922 Series A Preferred Shares outstanding, in each case as of October 2, 2023. In listing the Common Shares below and calculating the ownership percentages, we have included Common Shares underlying the outstanding Series A Preferred Shares at the current conversion ratio. In calculating percentages of Common Shares owned by a particular Holder, we have also included Common Shares that a person has the right to acquire within 60 days of October 2, 2023, if any, including upon exercise of the Warrants and/or equity incentive awards, and did not assume the exercise of any other Holder’s Warrants or equity incentive awards. The following tables do not reflect the beneficial ownership of any Common Shares issuable upon exercise of Warrants or incentive equity awards unless such securities are exercisable or convertible within 60 days of October 2, 2023.

We cannot advise you as to whether the Holders will in fact sell any or all of the securities set forth in the table below. In addition, subject to certain limitations, the Holders may sell, transfer or otherwise dispose of, at any time and from time to time, such securities in transactions exempt from the registration requirements of the Securities Act after the date of this prospectus. PLAN OF DISTRIBUTION

We are registering the resale by the Holders or their permitted transferees of up to 89,918,811 issued and outstanding Common Shares (including Common Shares underlying Warrants and Series A Preferred Shares) from time to time in one or more offerings.

We will not receive any of the proceeds from sales by the Holders. The aggregate proceeds to the Holders will be the purchase price of the securities less any discounts and commissions borne by the Holders.

The Common Shares beneficially owned by the Holders covered by this prospectus may be offered and sold from time to time by the Holders. The term “Holders” includes donees, pledgees, transferees or other successors in interest selling securities received after the date of this prospectus from a Holder as a gift, pledge, partnership distribution or other transfer, so long as we are required to provide such transferees with registration rights. The Holders will act independently of us in making decisions with respect to the timing, manner and size of each sale. Such sales may be made on one or more exchanges or in the over-the-counter market or otherwise, at prices and under terms then prevailing or at prices related to the then current market price or in negotiated transactions. The Holders may sell their Common Shares by one or more of, or a combination of, the following methods:

- purchases by a broker-dealer as principal and resale by such broker-dealer for its own account pursuant to this prospectus;
- ordinary brokerage transactions and transactions in which the broker solicits purchasers;
- block trades in which the broker-dealer so engaged will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- an over-the-counter distribution in accordance with the rules of Nasdaq;
- through trading plans entered into by a Holder pursuant to Rule 10b5-1 under the Exchange Act, that are in place at the time of an offering pursuant to this prospectus and any applicable prospectus supplement hereto that provide for periodic sales of their securities on the basis of parameters described in such trading plans;
- to or through underwriters or broker-dealers;
- in “at the market” offerings, as defined in Rule 415 under the Securities Act, at negotiated prices, at prices prevailing at the time of sale or at prices related to such prevailing market prices, including sales made directly on a national securities exchange or sales made through a market maker other than on an exchange or other similar offerings through sales agents;
- in privately negotiated transactions;
- in options transactions;
- through a combination of any of the above methods of sale; or
- any other method permitted by applicable law.

In addition, any shares that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this prospectus.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. In connection with distributions of the shares or otherwise, the Holders may enter into hedging transactions with broker-dealers or other financial institutions. In connection with such transactions, broker-dealers or other financial institutions may engage in short sales of Common Shares in the course of hedging transactions, and broker-dealers or other financial institutions may engage in short sales of Common Shares in the course of hedging the positions they assume with Holders. The Holders may also sell Common Shares short and redeliver the shares to close out such short positions. The Holders may also enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as

supplemented or amended to reflect such transaction). The Holders may also pledge shares to a broker-dealer or other financial institution, and, upon a default, such broker-dealer or other financial institution may effect sales of the pledged shares pursuant to this prospectus (as supplemented or amended to reflect such transaction).

A Holder may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by any Holder or borrowed from any Holder or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from any Holder in settlement of those derivatives to close out any related open borrowings of stock. The third party in such sale transactions will be an underwriter and will be identified in the applicable prospectus supplement (or a post-effective amendment). In addition, any Holder may otherwise loan or pledge securities to a financial institution or other third party that in turn may sell the securities short using this prospectus. Such financial institution or other third party may transfer its economic short position to investors in our securities or in connection with a concurrent offering of other securities.

In effecting sales, broker-dealers or agents engaged by the Holders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the Holders in amounts to be negotiated immediately prior to the sale.

In offering the shares covered by this prospectus, the Holders and any broker-dealers who execute sales for the Holders may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. Any profits realized by the Holders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions.

In order to comply with the securities laws of certain states, if applicable, the shares must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We have advised the Holders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the Holders and their affiliates. In addition, we will make copies of this prospectus available to the Holders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The Holders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

At the time a particular offer of shares is made, if required, a prospectus supplement will be distributed that will set forth the number of shares being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.

The Holders may agree, to indemnify the underwriters, their officers, directors and each person who controls such underwriters (within the meaning of the Securities Act), against certain liabilities related to the sale of the securities, including liabilities under the Securities Act.

Item 15. Indemnification of Directors and Officers

Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director or certain officers of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director or officer, as applicable, except for liability (1) for any breach of the director's or officer's duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) for a director under Section 174 of the DGCL (regarding, among other things, the payment of unlawful dividends or unlawful stock purchases or redemptions), (4) for any transaction from which the director derived an improper personal benefit, or (5) for an officer, in any action by or in right of the corporation. Westrock's certificate of incorporation provides for such limitation of liability.

Section 145(a) of the DGCL empowers a corporation to indemnify any director, officer, employee or agent, or former director, officer, employee or agent, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of such person's service as a director, officer, employee or agent of the corporation, or such person's service, at the corporation's request, as a director, officer, employee or agent of another corporation or enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding; provided that such director or officer acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation; and, with respect to any criminal action or proceeding, provided that such director or officer had no reasonable cause to believe his conduct was unlawful.

Section 145(b) of the DGCL empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another enterprise, against expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action or suit; provided

that such director or officer acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which such director or officer shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such director or officer is fairly and reasonably entitled to indemnity for such expenses that the court shall deem proper. Notwithstanding the preceding sentence, except as otherwise provided in Westrock's bylaws, Westrock is required to indemnify any such person in connection with a proceeding (or part thereof) commenced by such person only if the commencement of such proceeding (or part thereof) by any such person was authorized by Westrock's board of directors.

Westrock's certificate of incorporation and bylaws require Westrock to indemnify any person who was or is a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he or she or a person of whom he or she is the legal representative is or was a director or officer of Westrock or is or was serving at the request of Westrock as a director, officer, trustee, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by Westrock, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, trustee, employee or agent against all expense, liability and loss (including attorneys' fees, judgments, fines, excise taxes under ERISA, as amended, or penalties and amounts paid or to be paid in settlement) incurred or suffered by such person in connection with such proceeding if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of Westrock and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Westrock is authorized under its bylaws to purchase and maintain insurance to protect Westrock and any current or former director, officer, employee or agent of Westrock or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not Westrock would have the power to indemnify such person against such expense, liability or loss under the DGCL. Westrock believes that these indemnification provisions and the directors' and officers' insurance are useful to attract and retain qualified directors and executive officers.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

- A. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
- (i) To include any prospectus required by section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (i) and (ii) and this paragraph (iii) do not apply if the information required to be included in a post effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;
- B. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities

offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- C. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- D. That, for the purpose of determining liability under the Securities Act to any purchaser, (i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- E. That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- F. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- G. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the

event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant has duly caused this registration statement on Form S-3 to be signed on its behalf by the undersigned, thereunto duly authorized, on October 2, 2023 in the City of Little Rock, State of Arkansas.
